Every Secret Thing

CAVALCADE

Jennifer Ray,

We were real close at the beginning of the year, but as you said our relationship died off. Have a great summer, get tan, pick up boys & smile. See ya next year!

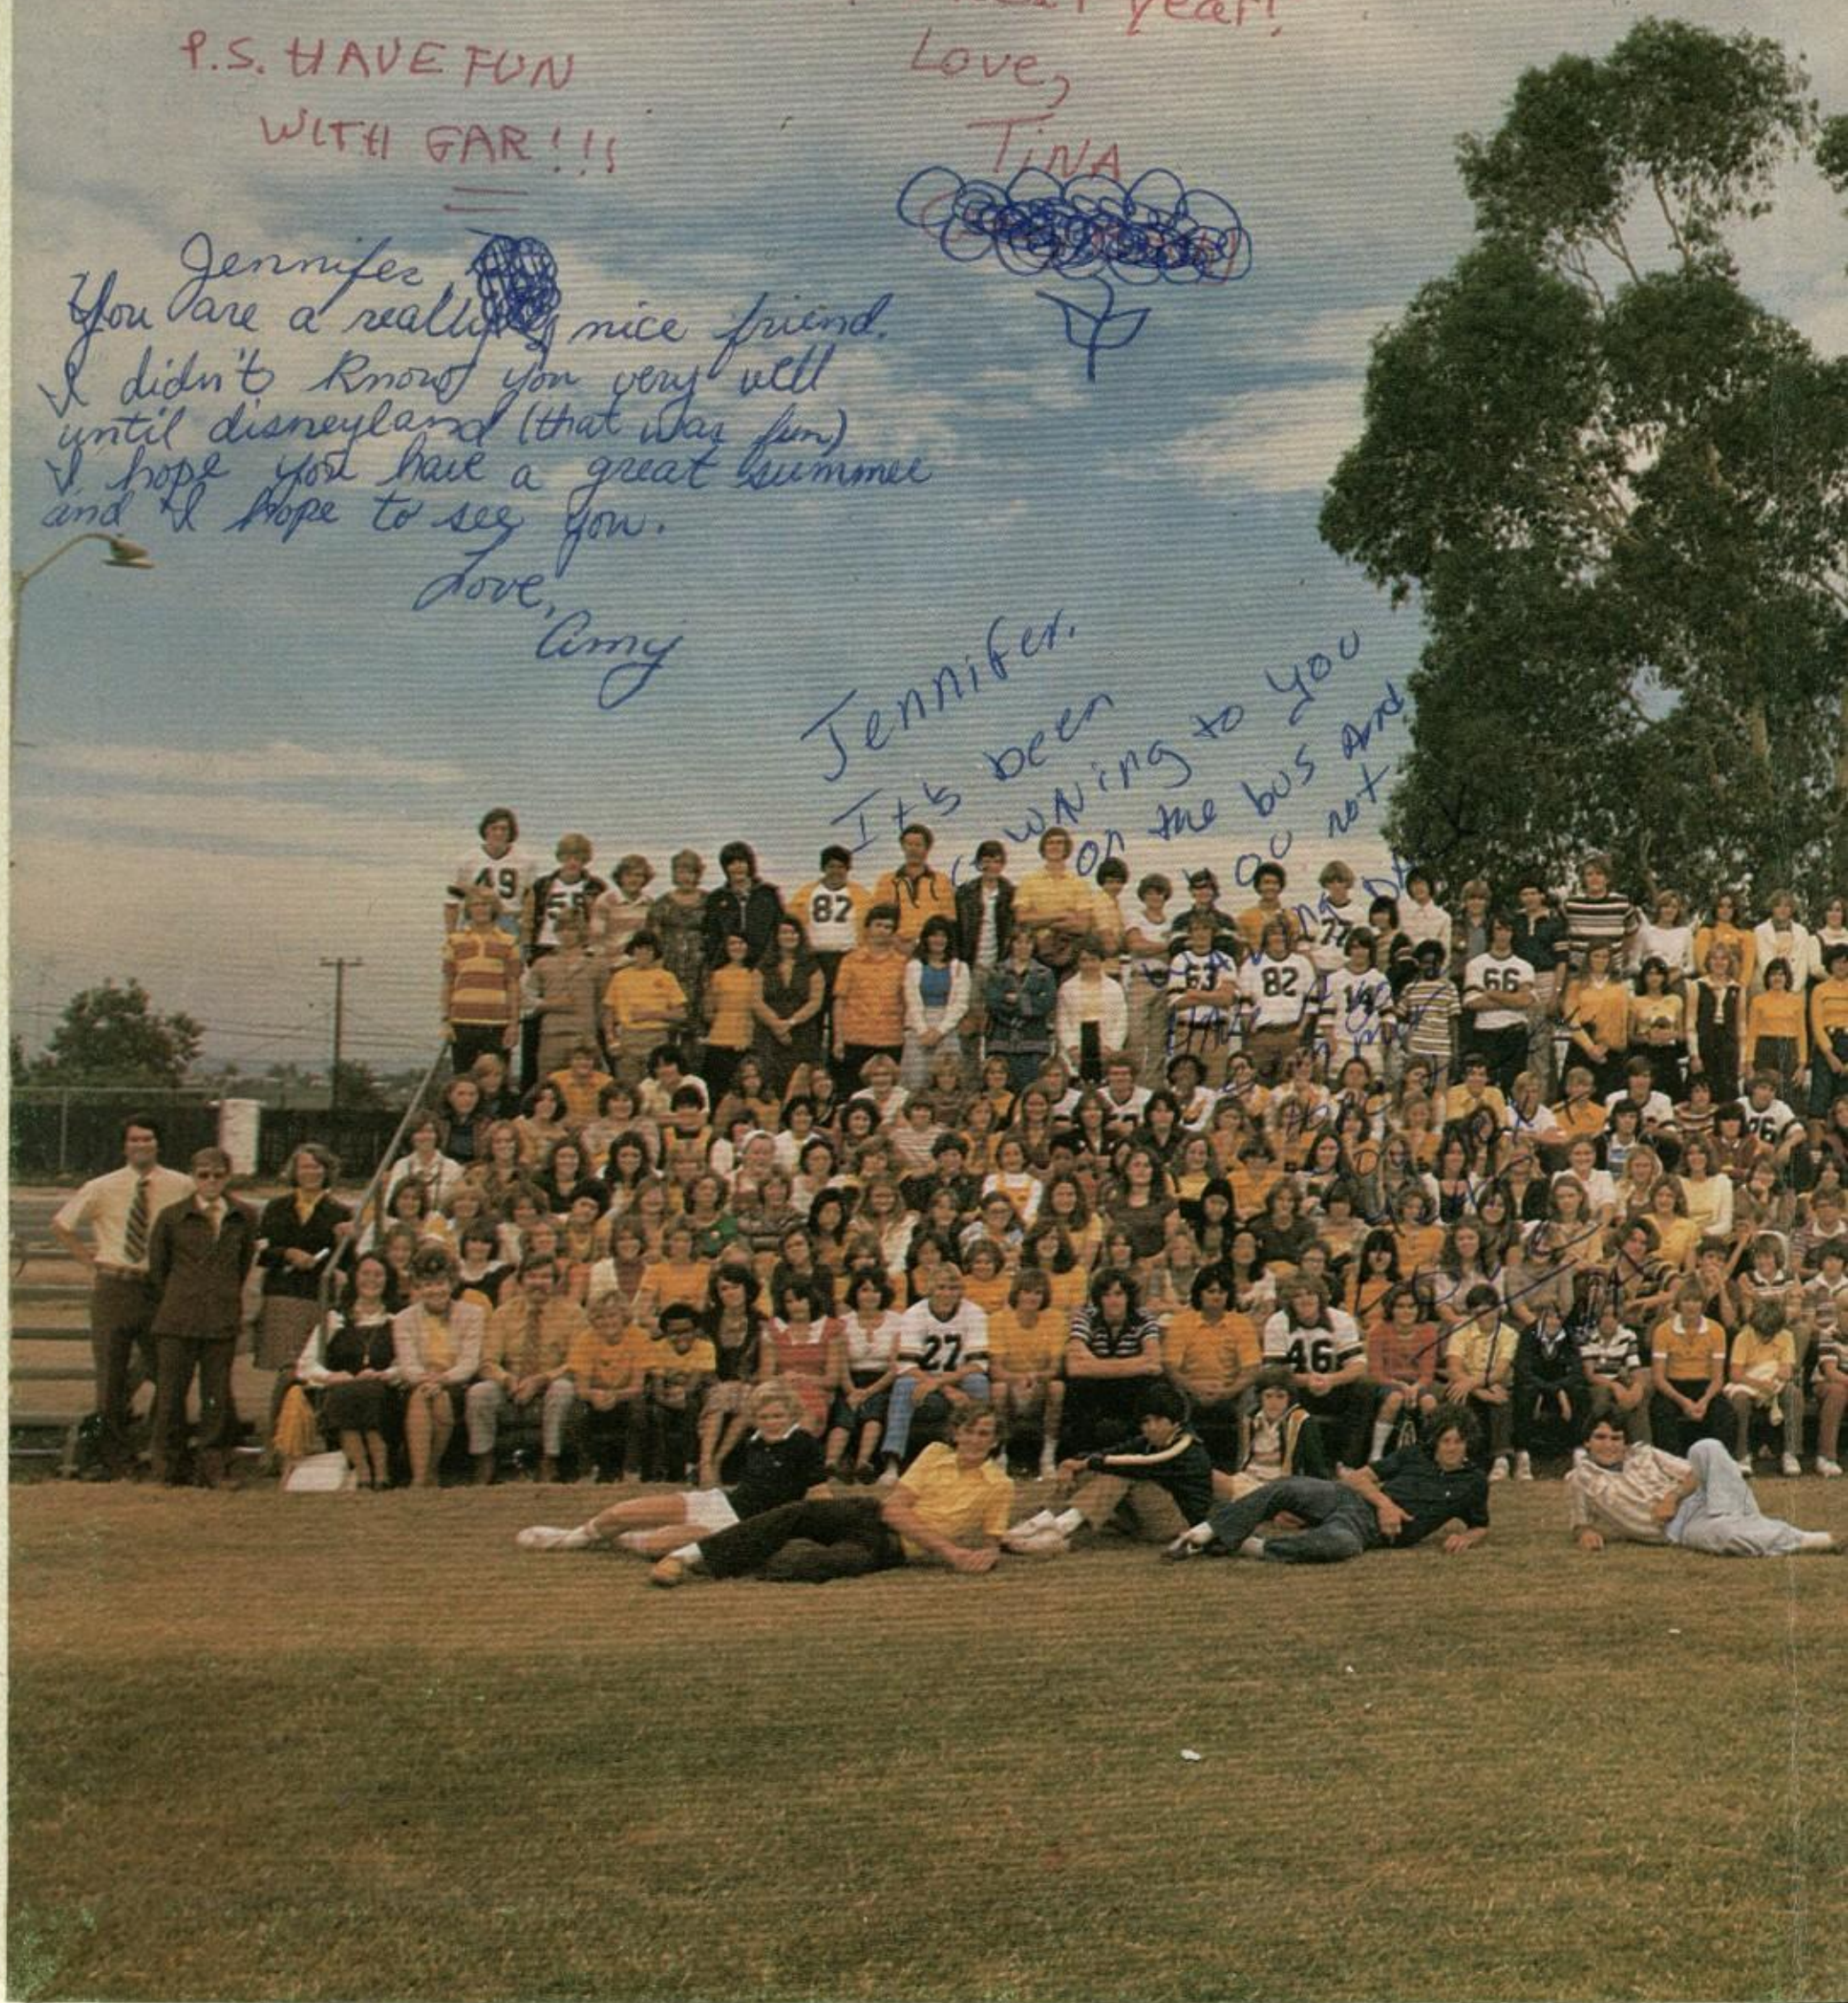
P.S. HAVE FUN WITH GAR!!!

Love,
TINA

Jennifer,
You are a really nice friend. I didn't know you very well until disneyland (that was fun) I hope you have a great summer and I hope to see you.

Love,
Amy

Jennifer.
It's been fun
[illegible]ing to you
on the bus and
[illegible] not



Jennifer;

I can't believe it almost 9 years! Reseved Page

It's really been alot of fun. Don't forget the flying carpet game! Mr. DiSalvo.. Mr. Dryer... Mrs. Washer Ha Ha Every thing. susies all depressed that you arn't friends oh well. I'm really glad we've kept it for almost 9 years

see you over the summer

love, your friend always Sandy

Jennifer,

I know we've been friends for a long time so that must mean we've been through alot. Right? right! We have had our ups and downs and our all arounds. Pretty soon the picture on the right will be you and Gar. Wooooo Wooo Wooo. And maybe something even more serious. Alright! I am really happy that you and Gar are going around or like eachother or whatever because you and him make a great couple! Did you see what J.J. wrote in Gars ~~eh~~ yearbook, she said I still love you and I always will because you and me make a great couple. She 6:30 ~~always~~ said I would go back with you but you Jennifer Kay and you like each other. Have a good summer & see you next year

Luv Laura

Jennifer (cont from before)
like I said we've been through alot of fights, shopping, movies, etc. I think you are a very nice person when your by yourself when you with me but other get with tend to people you me (no forget about have so offence) you many friends that you have things to tell them when your ar- count them that you feel that I'm always there, & I am, except sometime I can't take it. Maybe because I've never had that happen to me before. Maybe because your a one of a kind person & I'm glat that I met you. The fights might of straightened me out some & I've learned alot from them. Also it was nice having art together this semester because then we have a chance to talk & try to work things out. And by the way you are a terrific artist & you have a great future ahead of you with you talent & your smartness. I hope you & Gar last a long time together. Have a very nice summer & we'll get together a lot & become very close again like at the beginning of the year.
Remember always
Jane King

Editor's Message

My staff and I would like to present CAVALCADE 1978 emphasizing Unity. We chose Unity as a theme because all over campus there are people working together. With Unity we have accomplished much. We have winning teams, a high scholastic standing, a co-operative atmosphere, and friendly competition in scholarship and sports. School spirit is a product of Unity.

School enthusiasm is seen in the support of the administration and faculty, and the good academic atmosphere formed on the relationship between teachers and students. As we have seen this year, in a time of turmoil or calm, we all work together for common goals.

Many physical changes on campus have occurred throughout the year, and there are even more to look forward to. Parker has sold property to build condominiums. Bulldozers have been plowing their way through what used to be our track. The landscaping has been improved and plans are afoot for additional science classrooms and new additions for the athletic department.

One of the most visible changes was the increase in number of students this year. The school population reached 310.

Being the only editor in such a time of change was a nerve-racking job. Despite all the pain I encountered, it was rewarding.

I would like to give special thanks to a few of those people who kept me on my feet, and pointed in the right direction. Cathy Vafis and Nina Severance typed day in and day out, while Mrs. Spain was always there to keep things rolling. Barrie Berg and her charm brought in the needed money.

There would be no yearbook if it were not for the photographers and the industrious people in the darkroom. Two special ones were Bob Warwick and Letty Rosado. Those who wrote copy and spent extra time deserve thanks too. I would also like to thank the rest of the staff and all the people who contributed money or bought advertisements.

We offer you the 1978 CAVALCADE—a product of unity. I hope you enjoy it! —Jocelyn

Lower left: Jocelyn, Barrie Berg, Nina Severance, and Warren Jones work on complicated yearbook layouts.

Dedication to You, DC!

Each year the seniors are faced with the pleasant task of dedicating the yearbook. The man chosen this year is one to whom the seniors are particularly close, for he has been behind them during their years at Parker, and this year he has helped them with the task of preparing for college.

Born and raised in Binghamton, New York, he graduated from Manlius High School. He has an older brother after whom he named his youngest son. He received his B.A. at the University of Buffalo and his M.A. at the State College of New York at Albany.

Before coming to Parker he was the Headmaster of Westminister Boys' School in Atlanta, Georgia. Prior to that he was an assistant professor at the College of General Studies at Rochester Institute of Technology, where he met and married his wife.

Accepting the position of Headmaster at Parker, he moved to San Diego in 1969 with his wife Joan and his two sons, Mike and Ken. He pursues many hobbies such as trout-fishing, surf-casting, and above all, tennis. Being somewhat of a male chauvinist, he favors only male authors. This along with a dry sense of humor endears him to those around him.

His door is always open to students and faculty, for his office is a place of business as well as relaxation. His main goal is to produce a well-rounded person, one who can excel in academics and the arts as well as sports.

He once stated to the faculty, "I feel strongly that Parker's over-riding, distinctive characteristic should be our striving to be 'just a little better than the other guy.' I've never found much job satisfaction in a school that was willing to be a 'carbon copy' of the one down the street!"

He puts his philosophy to work, for in the recent past, Parker has been accredited with the highest recommendations by two accrediting associations and this year was selected for the Cum Laude Society.

In Parker's future, he would like to see a new science building and a center of performing arts which would include art studios and drama facilities. He would like to see that Parker grows in quality, not in size.

It is because of his devotion and our admiration that we dedicate this CAVALCADE to the man in the bright red car—with words that he has often quoted:

Dr. Douglas C. Crone, "We wish you the courage to be warm when the world would prefer that you be cool. We wish you success sufficient to your needs; we wish you failure to temper that success. We wish you joy in all your days; we wish you sadness so you may better measure joy. We wish you happiness to balance grief. We wish you humor and sparkle of life."

"We wish you the glory and fortitude to handle its burdens. We wish you peace in the world in which you labor and in the smallest corner of the heart where truth is kept. We wish you faith to help guide your living and your life. More we cannot wish you, except perhaps love, to make all the rest worthwhile."

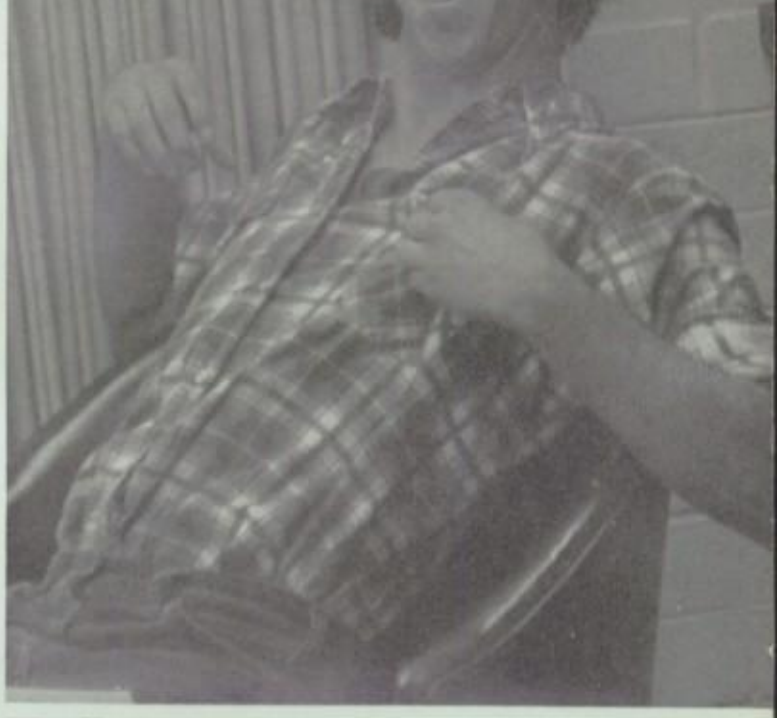
Seniors



Class of '78
A Cozy Bunch

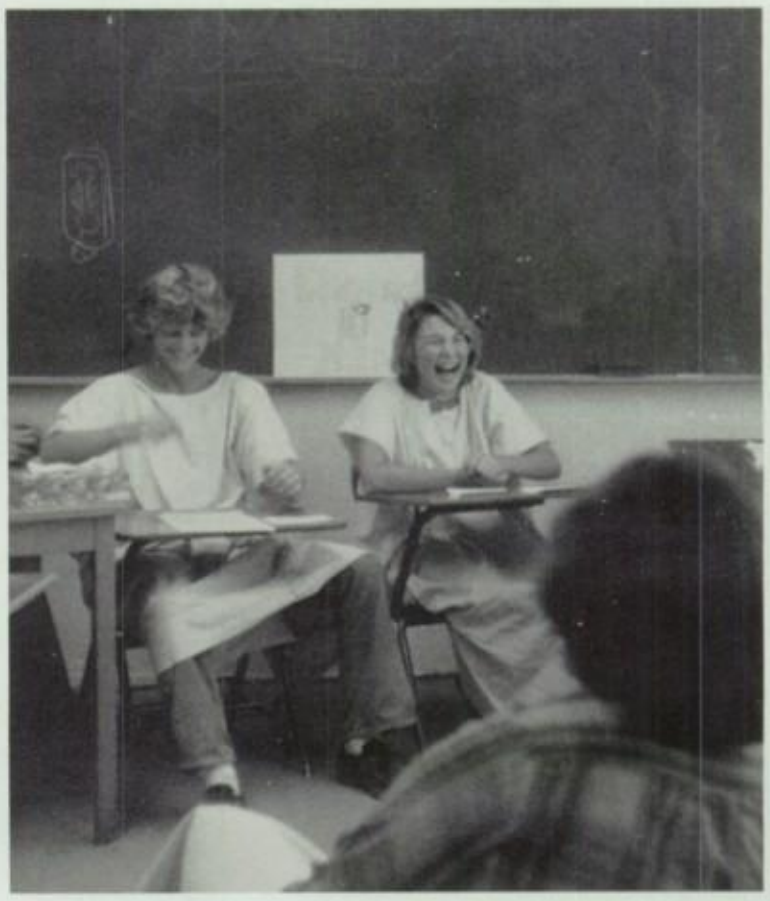
Oh wow! . . . sitting in Dr. Crone's office . . . class Christmas dinner . . . higher SAT scores . . . a new girl all the way from England—that makes 5 more than the class of '77 . . . sitting in the Chinook on rainy days. . .

Steve Martin . . . 1st Annual Senior Christmas Tree . . . the infamous Senior Seminar and Economic Class . . . taking unusual courses at USD and liking them! . . . "missing" classes . . . cosmic . . . field trip to Balboa Park and pizza . . .

Kurt Russell wearing an "EAT AT THE SENIOR BOOTH" sign promoting one of the money-making projects of the class . . . dressing up . . . a senior Homecoming Queen and Escort . . . going to Jack's for lunch . . . developing during free periods . . . eating in Humanities . . . five seniors making up the entire Roman Republics class . . . which exam shall we study for? . . . the diet soda brigade . . . never making it to Flag-raisings . . . the Grecian and Phonecian lunch in Humanities . . . making appearances wasn't very important . . . being a senior wasn't all it was supposed to be . . . planning things but never bringing them off . . . applications, deadlines, ACH's, and acceptances.

The thirty-seven great members of the Class of '78 leave gaps behind in every facet of school life. They have been leaders in drama, sports, photography, music, journalism, and student government.

Despite differing interests and goals, they are known as a cozy bunch—very much at ease with each other, as well as with underclassmen and teachers. All of these things make the Class of '78 a group that will remember, and will be remembered for a long time.



Above right: Ken Sulzer and Kirsten Hedin crack up in Roman Republic class. Middle: serious Mary Day Dewart and Cliff Treais. Below right: Fred Blum. Below: Martha Flores displays talent.

Juniors Face New Challenges

The junior class, like all other classes, has it share of "brains," "jocks," and "socialites." However, being a junior entails much more than that. It means facing challenges never met before: being sixteen, going to college reps, solving analytical problems that cover the entire chalk board, struggling through the first "college essay" in American History, and trying not to blow up the lab in Chemistry.

The juniors are often an under rated class. Actually, it is the toughest year of high school, both academically and socially. So, the next time you see a junior, give him or her a pat on the back—it's been one heck of a year!

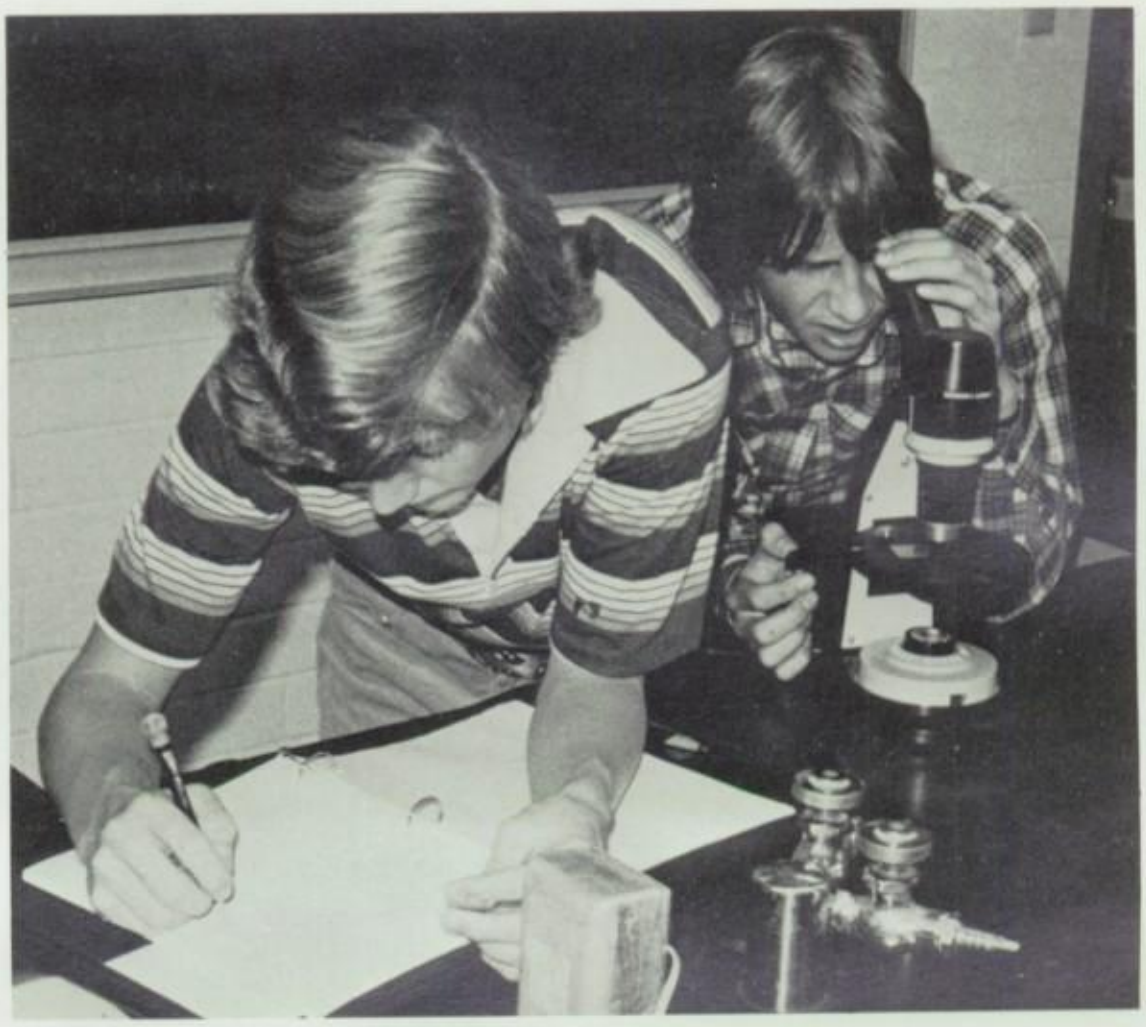
Class of 1980— Aware and Smiling



"Potential" is the key word for the class of 1980. They've taken the first PSAT with a smile, but next year the smile may turn to a twisted grin as they take the second PSAT and advance to the SAT.

College-bound students check their credits and struggle to raise their GPA. They are finding facts and situations which they have read of in books similar to the realities of life as they learn more about themselves.

They are trying hard to be individuals in a group which leans towards unity, and the cliques which people have been a part of are breaking up and regrouping as their values change.

The class of 1980 is alert, sensitive, and aware of both situations and people around them. They are making it both as a unified group and as individuals.

Freshmen Strive For Excellence

The freshmen strive to be courteous, co-operative, loyal, considerate and hard-working. Difficult goals to meet, but with the leadership of Francis Parker teachers and examples set by previous students, they should "make the grade."

This was the year for term papers, a potential beauty queen, a "Gong Show" contestant and a televison winner.

8th Graders Totem Toppers

The eighth graders, tops on the Junior High totem pole, had a super year with some extra benefits that they didn't have last year. The benefits included field trips to the Courthouse, the City Council, a nuclear power plant and to Mount Soledad, where television and radio towers are located. Thanks to the Student Council and Girls' League, there were two Games Nights every month that were really super.

The eighth grade, and Junior High in general, had a lot of school spirit and just about all the Junior High teams had a great season. An asset to spirit was the Parker Pep Squad for the Junior High teams. They were a unified group who spurred athletes on to victory.

Pea-greeners Enjoy Upper School Freedom

The pea-greeners of this year really enjoyed being in the upper school. Most found it more fun to go from class to class rather than to stay in one classroom all day.

Many of their lunch periods were spent playing "keep away" with a football or a tennis ball.

Most seventh graders enjoyed science, but some disagreed when it came to the prospect of dissecting.

Right: Holly Hanafin. Center: Typical game of "keep away." Far right: Jennifer Ray and Todd Graham "hit their books."

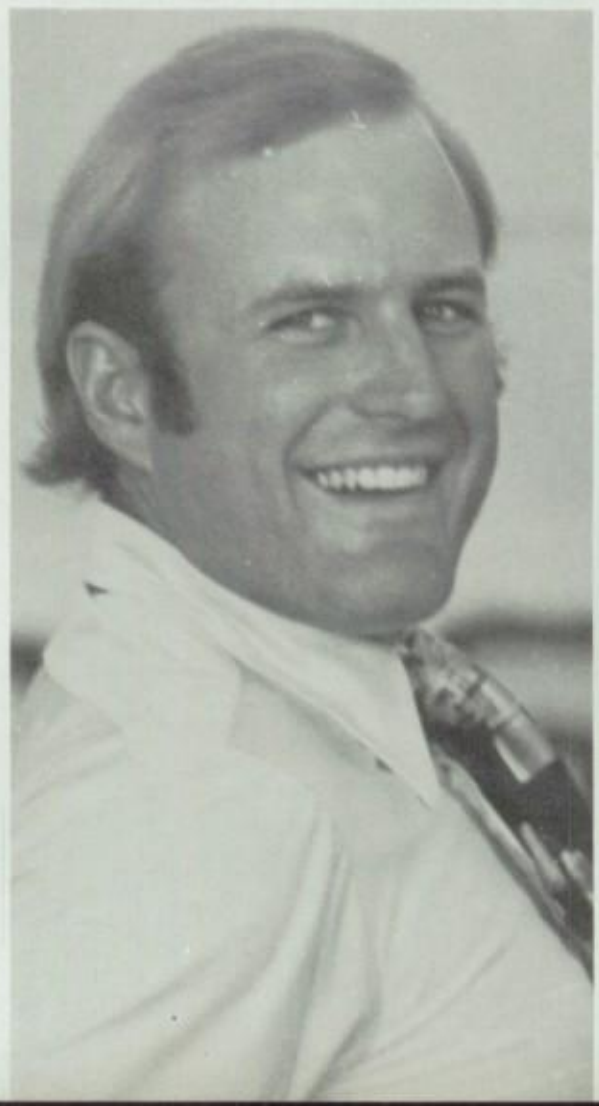
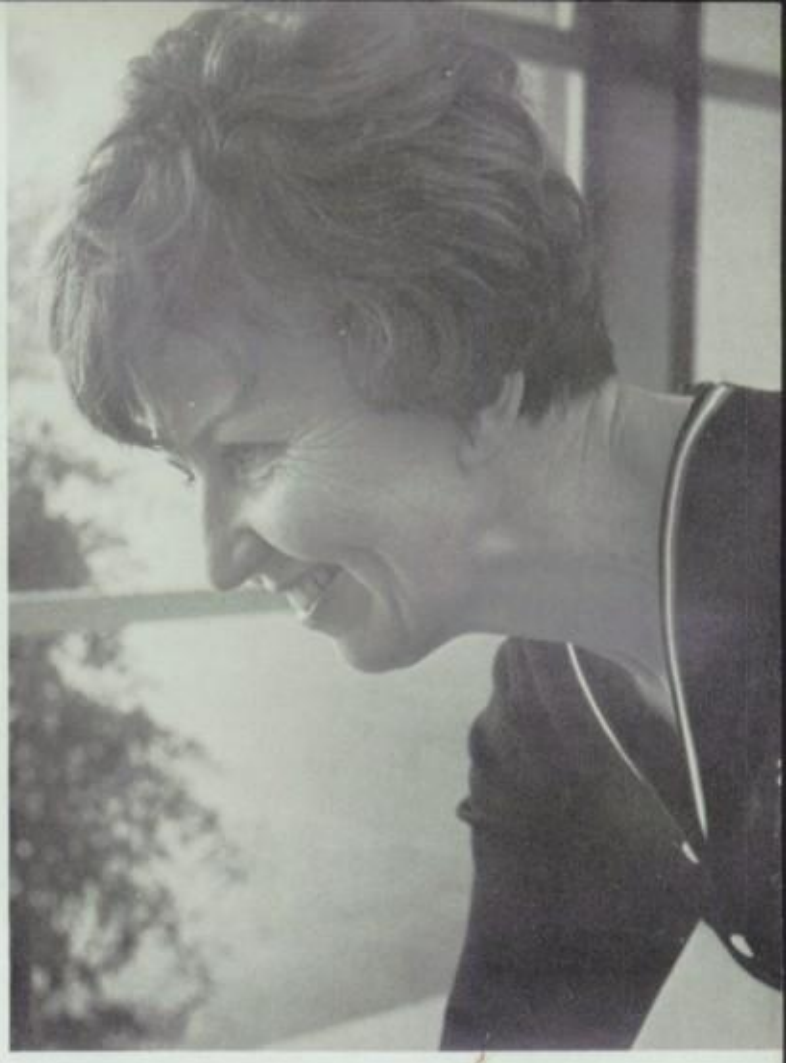
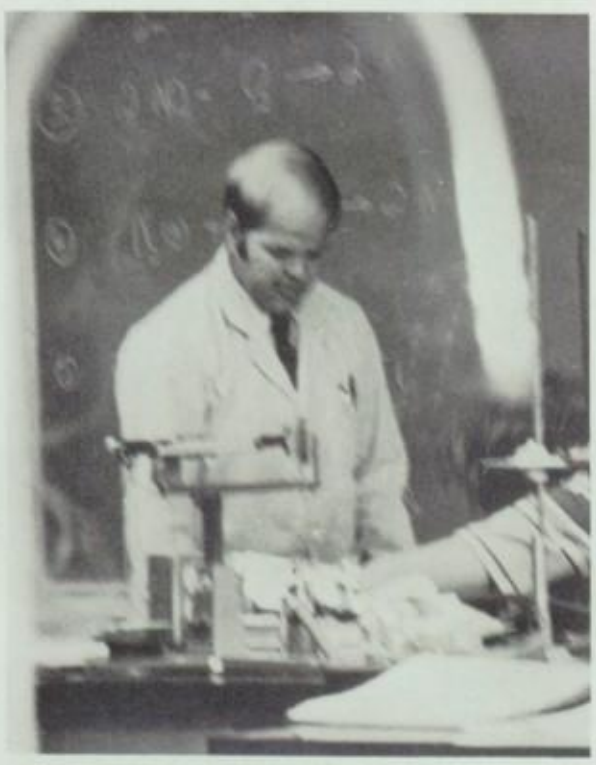
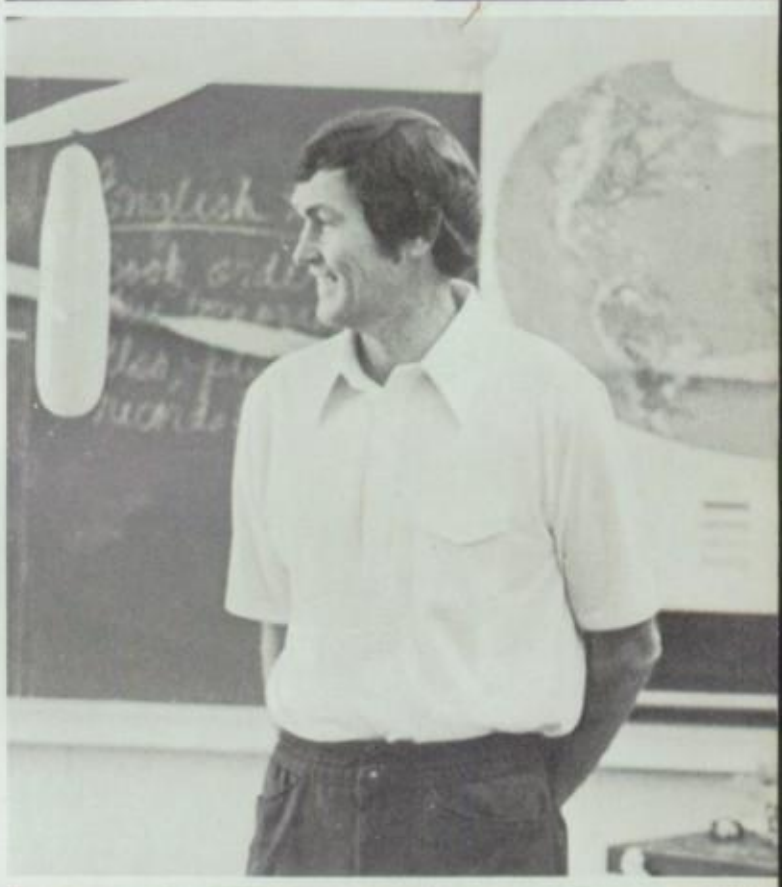
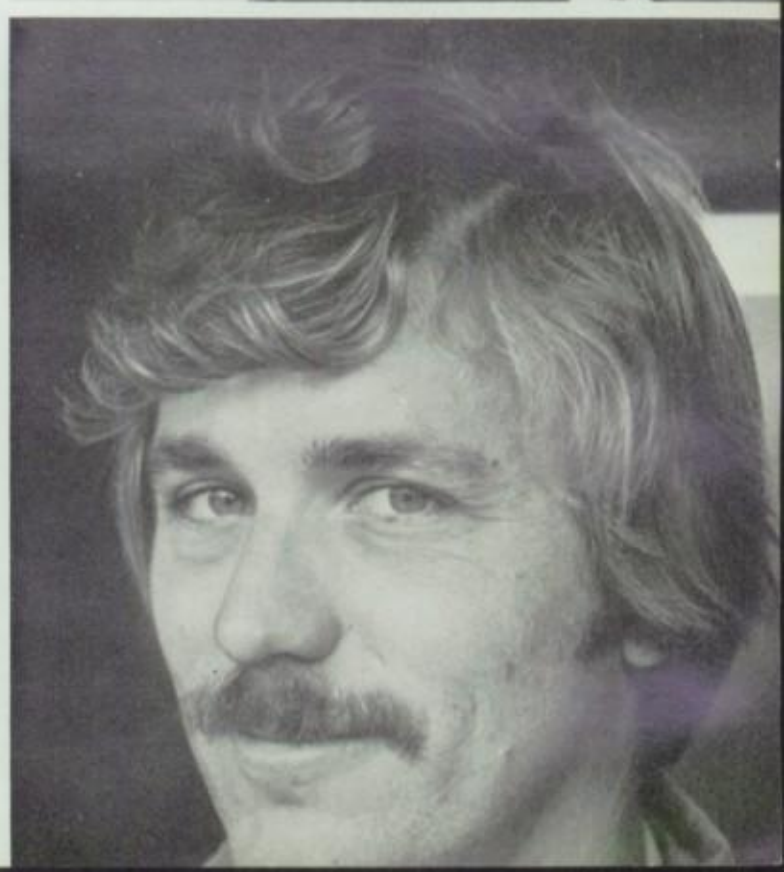
Faculty Administration











Letter From D.C.

In June, 1977 during Parker's Commencement exercises I chose to read a letter of a personal nature directed to my oldest son, Michael, a member of the Class of 1977. That Commencement took on a special meaning for me because of Michael. Thus, the thoughts contained in my remarks to the graduates were more personal than in previous years, and I hoped they would have a dramatic impact and influence on the group and especially my son. Not so!

Following the Commencement program, I asked Michael if he had any reactions to my "words of wisdom" to the Class of 1977 and his response was, "I wasn't paying much attention, Dad, because I was so excited about receiving my diploma!"

Now, along comes the Class of 1978 and another son to graduate from Parker School. I'd like Ken and the entire Class to get my message, so this year I'd like to rely on the printed word and put my 1978 Headmaster's Message in writing as follows:

Dear Son (and the Class of 1978):

This is the most important letter I have ever written to you. I have given a great amount of thought to the matter I want to convey and I believe I am right in what I've decided to do.

Since the day you were born, I have done my best to do what was right for you. I have not always been successful—I've made mistakes and I've failed in many ways. Someday you will learn how difficult it is to be a good parent and perhaps then you'll understand me better than you do now. But there's one area where I have never wavered: I've loved you with everything that is within me. It is impossible to convey the depth of my love for you through these years, and that affection is as great today as it has ever been. It will continue to be there in the future, although our relationship will change from this moment. As of now, you are free. You may reject God or accept Him, as you choose. Ultimately, you will answer only to Him, anyway. You may marry whomever you wish without protest from me. You may go to any college of your selection. You may fail or succeed in each of life's responsibilities. The umbilical cord is now broken!

I want you to know that I still care what happens to you, am concerned for your welfare. If you come to me for advice, I'll offer my opinion, but the responsibility now shifts from my shoulders to yours. You are a young adult now and you're entitled to make your own decisions—regardless of the consequences. Throughout your life I've tried to build a foundation of values which would prepare you for this moment of adulthood and independence. That time has come.

I have the utmost confidence in you. I believe God will lead you and guide your footsteps and I am optimistic about the future. Regardless of the outcome, I will always have a tenderness in my heart for you and for my son.

Sincerely,
Dad (DC)

Top: Dr. Crone. At left: Conferring with seniors.

Administration

Mrs. George Smith assists Dr. Crone in the many details of administering Parker Upper and Lower Schools. She devotes most of her "off-duty" hours, as well, to Parker functions and activities.

Essential to the smooth-running front office, too, are the deans. They keep track of absent students, missing notebooks and falling grades. They are responsible for scheduling and helping students get the most out of their hours at Parker. Mrs. Treais also teaches Spanish and Speech. Mr. Bennett teaches Math, and is Director of Athletics.

Top left: Mrs. Smith; above: Mrs. Treais; left: Mr. Bennett.

Parker Board

Parker's Board of Directors is comprised of 28 members. The Board meets monthly. Board members are elected for three-year terms, with the exception of the Mothers' Club President, Fathers' Club President, and the Student Representative who serve for one year.

Committees of the Board are active in the areas of budget and operations, building and grounds, by-laws review, funding, high school property development, long range planning, nominating and scholarship.

Operations

The secretarial staff comprised of Mrs. Helwig, Mrs. Rogers, and Mrs. Hume answer the busy phones, handle book orders, distribute student supplies, issue the week's schedule, etc., etc. They remain calm through it all.
Below left: Mrs. Helwig; below: Mrs. Rogers, Mrs. Hume, who also teaches drama, is pictured on a faculty page.

Some of the most important people are those pleasant folks who keep the cafeteria and the campus running smoothly. These people who are behind the scenes do many valuable jobs which are often taken for granted.

Under the direction of Mrs. Mathews and her team, the cafeteria is always one of the nicest places to relax and have an excellent lunch.

Skip Wyman and his team of custodians and groundmen keep the school in beautiful condition throughout the year. Their happy attitude often comes out in their cheerful singing as they go about their tasks.

Other friendly workers include Dan Zatarian, who heads the transportation department, and his assistants, Lisa Hume and Annie Krause. Their team of capable bus drivers have the difficult task of making sure everyone gets to school and back home safely and on time.

Upper right, front: Josefina Cruz, Sandy Jackson, Karen Greenwald; back row: Lorraine Polhamus, Louise Mathews. Not pictured: Josefina Chevez. Center, front: Jorge Villasenor, Rodolfo Castillo; standing: Victor Virgen, Skip Wyman, Richard Holder. Below, bus drivers. Middle: John Raifsnider, Kathy Lynch, Annie Krause, Ron White, Karl Newmeyer, Bob Gillingham, Debbie Mohn. Front: Jim Grant, Dan Zatarain.

In Memoriam

The following article written by Leesie Assam appeared in the September, 1977, issue of THE VIEW. It expresses the feelings of Parker people at the loss of their friend Jim Galyan:

"Serving as Santa for the Christmas programs. Rebuilding the canyon playground at the Lower School. Repairing the locker rooms. Painting almost every paintable object at this school. Starting furnaces on cold winter mornings.

These are some of the things Jim Galyan did for our school These things are all still here wth us everyday, as are the memories of Jim. How could Homecoming have gotten off the ground without him? Girls' League, Student Council, Drama, and Chorus, in fact every group and individual at Parker needed him in one way or another.

Jim was with the Parker staff for seven years, after serving in the Navy for 20 years. He celebrated his 43rd birthday on Friday, September 9th, and died on the job Sunday, September 11th.

His loyalty to Parker can never be replaced. We will think of him often in the years to come, especially when the big red van goes by.

Jim is survived by his wife Joanne and his son Bruce. A military service was held in his honor."

Faculty

The Parker faculty embodies highly diversified backgrounds and interests. The faculty members responsible for academics must challenge the minds of the students, while those in physical education work toward sound bodies. The teachers of electives offer a varied curriculum. The prevailing goal of all is to convince each student that he must not satisfy himself with being merely GOOD, but should strive for BETTER.

Parker students have consistently met high standards in ability, achievement, and personality. Parker faculty members are proud to be one part of the team responsible for setting these standards.

Homecoming '77: Spirit Unifies All

An aura of excitement permeated the campus during Spirit Week '77. The suspense began to build on Monday, October 24, with Western Day, and continued to mount throughout the week with Tourist Day, Carnation Day, 50's Day, and Brown and Gold Day. To top off the week, there was a rousing pep rally on Brown and Gold Day.

And then the day everyone had been waiting for finally dawned. It began with a picnic sponsored by the Fathers' Club, and climaxed in the glamour and glory of the football game. The glamour was supplied by the crowning of Jocelyn Guiles as Homecoming Queen with Steve DePlessis as her escort. The princesses were Tara Nelson and Chris Trepte, with Cliff Treais and Jay Plaehn as escorts.

The glory was supplied by the Parker Lancers as they forged their way to victory over Faith Baptist 14-6. It has become a tradition for the Lancers to win their Homecoming game each year.

Celebrating Parker's victory, a traditional dance was held at the Lower School auditorium. A record crowd of 140 Parker students and alumni were entertained by the band EMPIRE.

Above: Steve Duplessis applauds Jocelyn Guiles as she is named Homecoming queen. Below: Jay Plaehn, Chris Trepte, Jocelyn Guiles, Steve DePlessis, Cliff Treais and Tara Nelson. Opposite page, 1st row: Bobby- soxers pose for cameraman. Evidently it gets to them all, even Becky Smith. 2nd row: Susan McKig, a '50's senorita. Barrie Berg sets new clothing trend at Parker. Hillbilly Mr. Cheskaty moseys from the cafeteria, satisfied with the vittles. 3rd row: Chris Trepte and Madeleine Herrill just back from their "Hawaiian Holiday" tour. Varsity Has Super Year

The spice and variety of the Varsity cheerleaders inspired winning Parker teams.

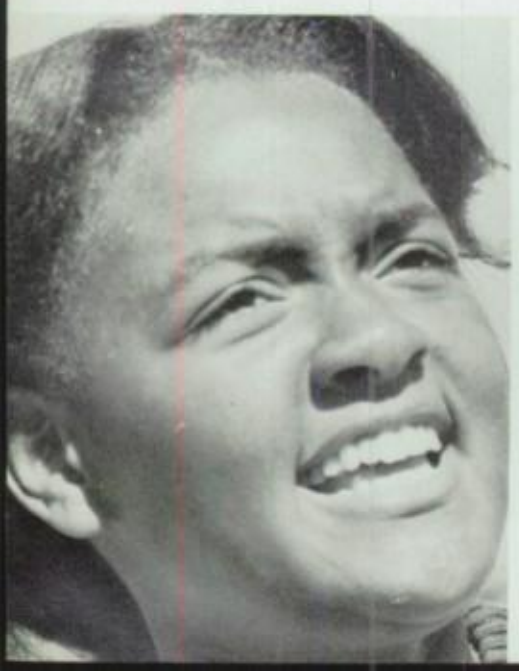
Although the majority of the football games were in Los Angeles, the Cheerleaders always led a group of loyal boosters.

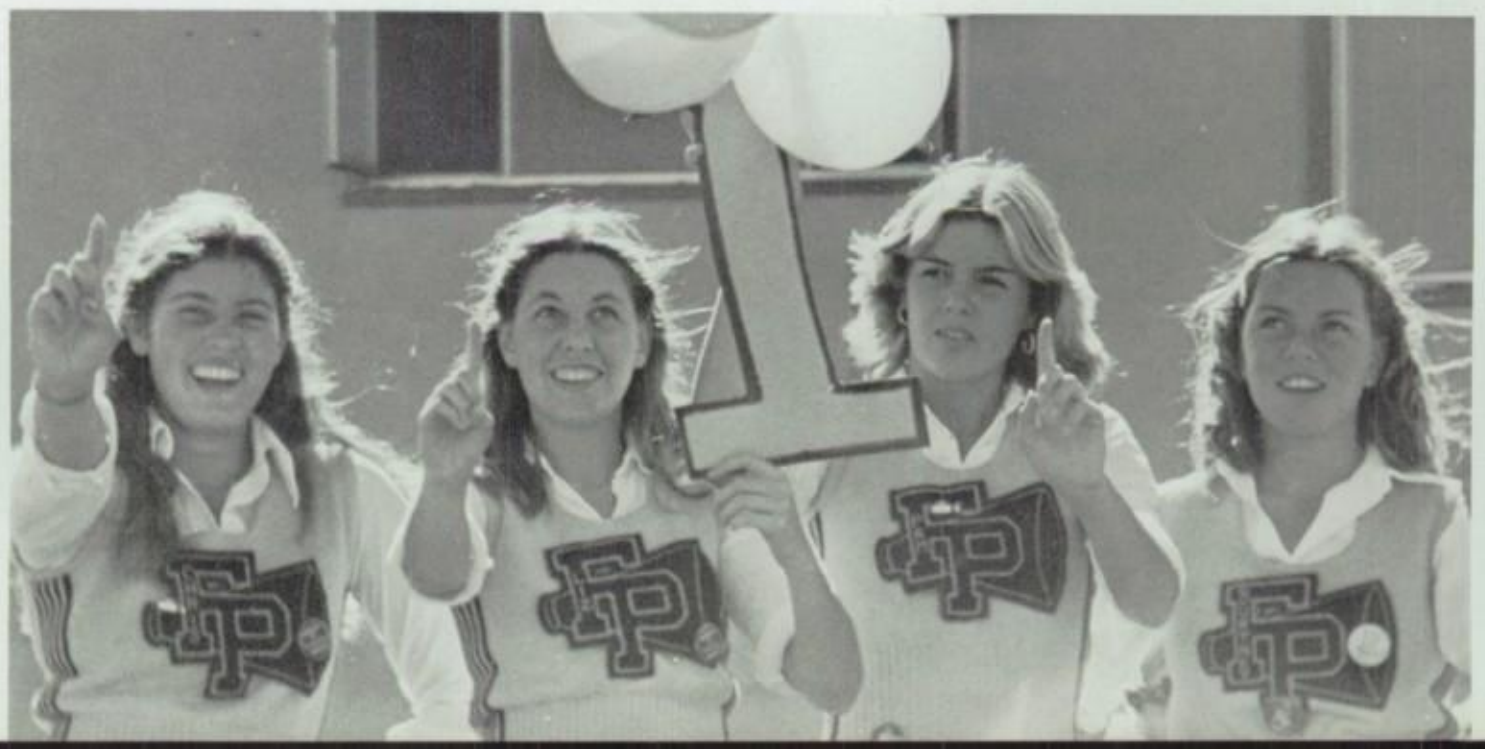
There were many basketball games, but each one was unique. Memories include the Southern League Tournament and 7-11, and Friday night games.

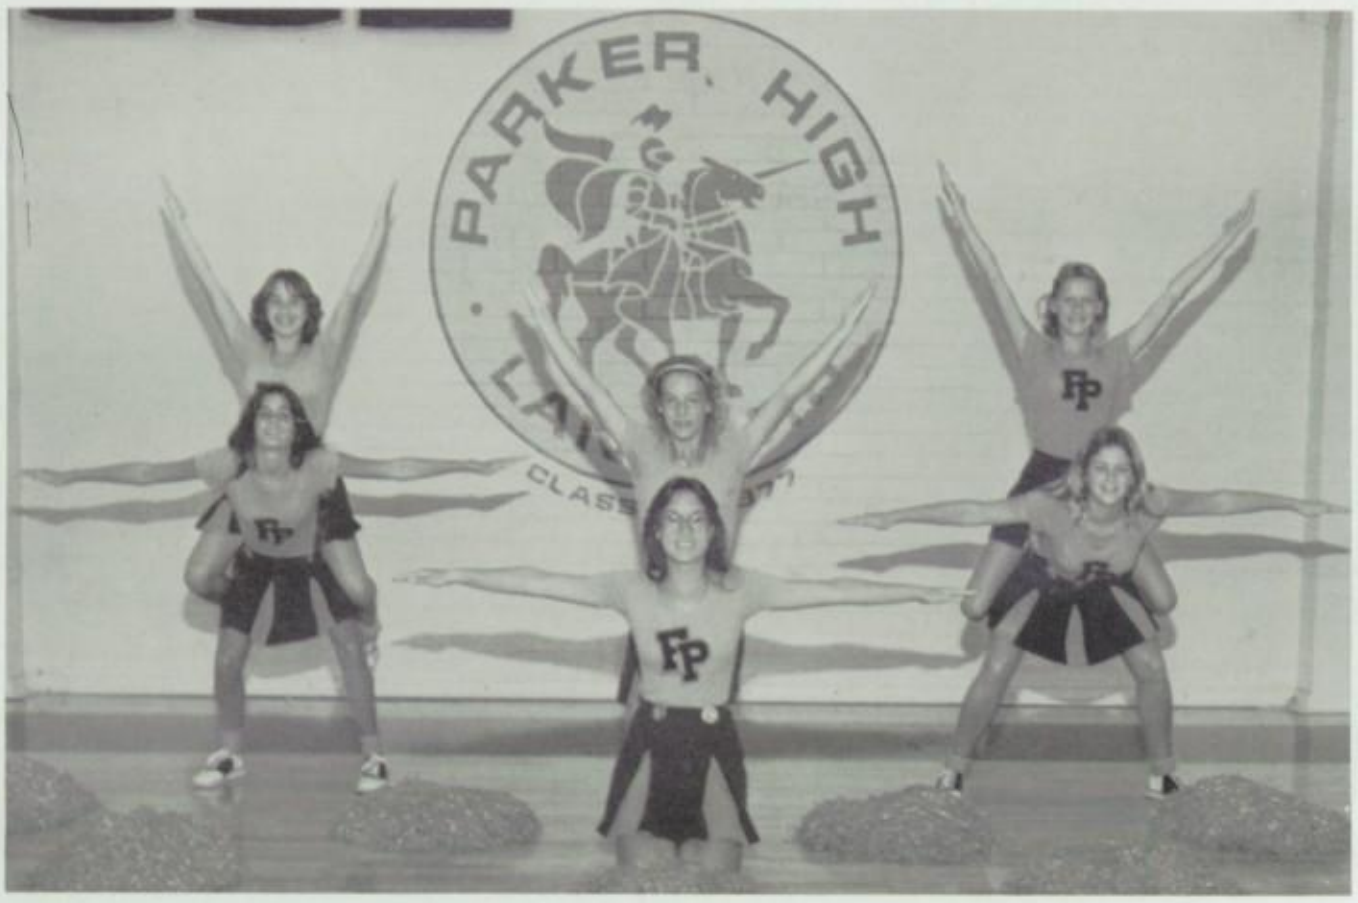
These exciting times had come after a great time at summer cheerleading camp. They will never forget winning a trophy for being most co-operative, though they were the rowdiest.

The squad will always remember Courtney's loud voice, Pam's short skirts, Denise's facial expressions, Liz' big appetite, and Chris' way of forgetting everything. All in all it was a "super-great" year!

Above: Varsity squad Courtney Field, Pam Guiles, Liz Gildred, Chris Trepte, and Denise Bailey. Center: Pam Guiles feels grr . . . eat in the sun. Below left: Denise Bailey. Below right: Confident Varsity squad knows who's number 1!







JV Shows Spirit

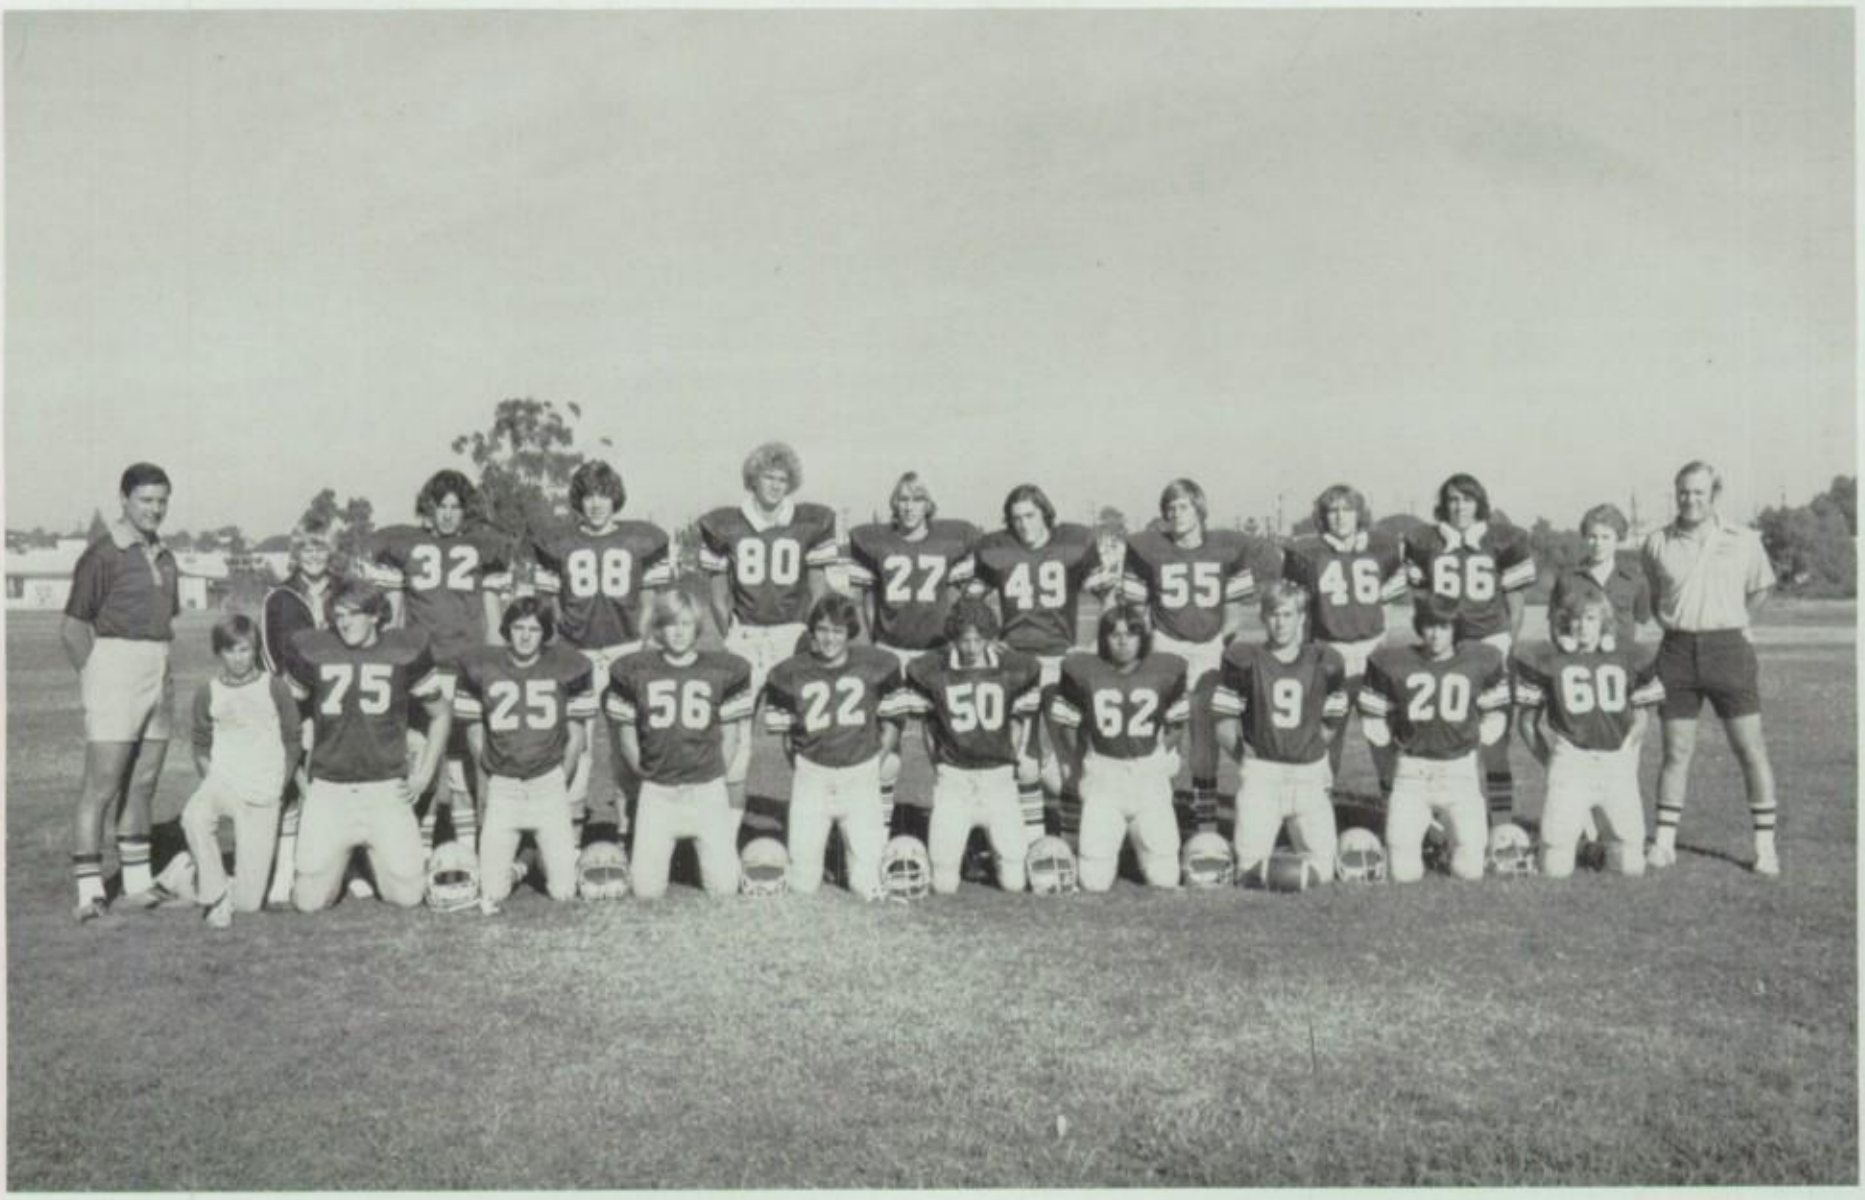
The yells of Lee Rhein, Pia Lindquist and Diane DuPlessis blended smoothly with the softer encouragement of Ann Pavel, Jean Mullen and Maile Knudsen as the Junior Varsity cheerleaders rallied their way through a strong season.

They displayed further talents by "doing a number" on the boys' locker room before the Homecoming game. At the Homecoming pep rally, the girls participated in a spirited tug-of-war with the football players, but were disappointed when the rope broke.

As the year progressed, so did they. By the end of the year, they all showed promise for the Varsity squad of the future.

Above: JV '78, Lee Rhein, Jean Mullen, Maile Knudsen, Pia Lindquist, Ann Pavel, and Diane DuPlessis. Left: Pia Lindquist. Below: Both squads "Fired Up and Ready . . . " for the pep rally.

When the Going Gets Tough,



Front: Pat Styles, manager; Alex Vargas G, Bob Bartlett HB, Mark Clifton C, Sonny Adler HB, Curt Ittner E, Ramon Lozada G, Bill Helwig QB, Mike Sourapas HB, John Mansfield G, Back: Coach Ghironi, Burt Wahlen, manager, Byron Gwinn FB, Tony Ryan E, Jay Plaehn E, Cliff Treais HB, Ken Dewart G, Ken Crone C, Bill Osborn FB, Jon Layton G, Steve Harris, manager, Coach Volker.

40-16	Chadwick
28-12	American Christian
0-35	Pasadena Polytechnic
38-14	Masada
14- 6	Faith Baptist

The 1977 Lancers made it to the CIF playoffs in the Los Angeles League for the first time. The Lancers compiled a 6-1-0 record against some of the best teams in California.

The Varsity gridders experienced only one loss at Pasadena Polytechnic, rated in the top five in the state.

Mike Sourapas was selected as MVP for the year. Sourapas was also recognized as Best Offensive player with a record yardage of 1046. Jon Layton was chosen Best Defensive Player.

Most Improved Player went to Cliff Treais for his constant effort. Ken Crone received Most Inspirational and shared Captain honors with Bill Osborn. The players put their best into each of the games to make one of the best seasons ever.

The Tough Get Going!

Front: Pat Styles, manager, Steve Carey HB, Bill Van Gaasbeek HB, Walter Wincek FB, Gabe Zatarain QB, Fred Hardy HB, Keith Sampson HB, Paul Kruger E, Burt Wahlen, manager, Back: Coach Ghironi, Charles Williams C, Marco Vargas G, Ted Davis E, David Carson E, Coach Strange, Tim Avilucea G, Bruce Jackson C, Jeff Thomas E. Chris Zucconi G, Coach Volker.

For the second year, the JV gridders showed promise in their five games played.

Although they went one and four, they stuck it out even when the going got tough.

In their first game at Pasadena Polytechnic, the young, inexperienced team learned how to work together. From then on, they played as a unit instead of as individuals.

Ted Davis was named the Most Valuable Player. Best Offensive went to Fred Hardy, with Ted Davis also being recognized as Best Defensive. Bill Van Gaasbeek was named Most Improved. Most Inspirational went to Walter Wincek. Ted Davis and Andy Almour were honored with Captain Awards.

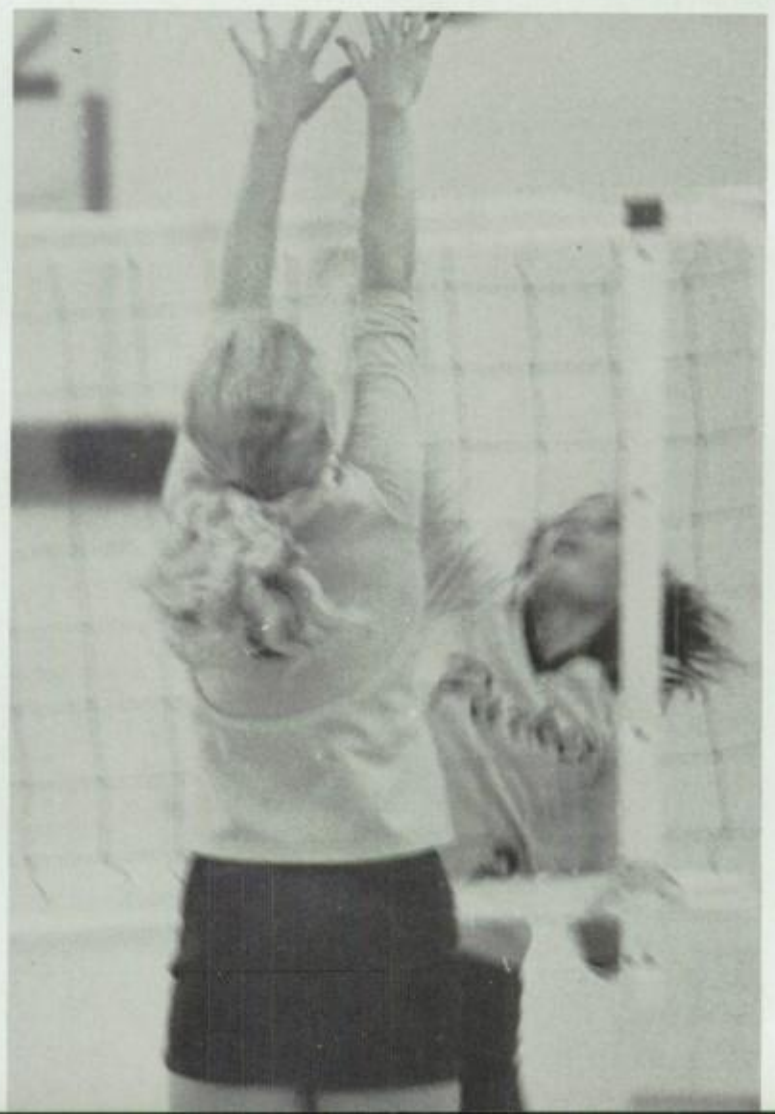
0-48	Pasadena Polytechnic
20-56	Faith Baptist
12- 6	Southland Christian
18-36	Faith Baptist
7-33	Victory Christian

Clockwise, from left: Mixed emotions: Coaches Strange and Ghironi; Mike Sourapas' fancy footwork picks up yards for the Lancers; Cliff Treais makes another clutch catch; Bill Osborn holds on to a Faith Baptist player as Byron Gwinn readies for the kill; Bruce Jackson (60) saves another touchdown while getting reinforcement from Walter Wincek (14); Gabe Zatarain (16) keeps cool while under pressure; Above: Andy Almour's (8) ballet approach gains him extra yardage.

Volleyball Team Takes Title

The girls' volleyball team were champs, winning the class 1A CIF finals. They were undefeated in league play for the second year in a row, and boasted a 17-1 record. The girls' dedication and Coach Kerkering's patience proved to be a winning combination in a season that pitted the girls against six league teams and five non-league teams.

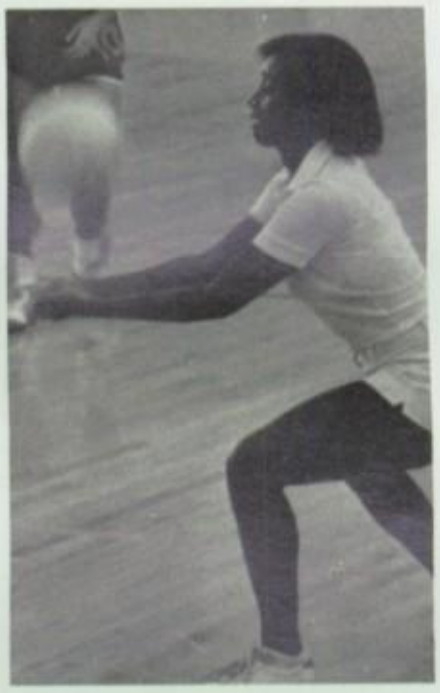
As an exciting climax to a successful season, on November 10, the girls handily defeated Country Day in the Class 1-A finals at Mira Mesa. Parker's excellence in sports has now been achieved by a girls' team.



JV's Follow Varsity's Tracks

The JV team also defeated their opposition to become undefeated in league play this year. The JV's showed much spirit and promise for the coming years.

Opposite page top, Varsity squad: Jocelyn Guiles, Pam Guiles, Katie Seiber, Mary Day Dewart, Sara Vafis, Letty Rosado, Julie Wahlen, Madeleine Herrill, and Jennie Smith. Center: Coach Kerkering and his harem of champions. Far Left: Katie Seiber grits her teeth for a strong serve. Bottom: Jennie Smith and Pam Guiles stretch for it in a scrimmage. Below, JV squad: Front row: Kim Thelig, Leigh Ann Layton, Maile Knudsen, Anne Pavel, Ann Miller, Tiffany Kemp. Back row: Coach Brooks, Liz Gildred, Diane DuPlessis, Jean Mullen, Colleen Grubb, Trish Engel, and Cate Gilman. Right: JV assistant Coach Dione Brooks. Bottom: JV's wait eagerly to "get in there."



Varsity Cagers Display Teamwork

L-R: Ken Sulzer, Cliff Treais, Jim Crawford, Jeff Cass, Doug Halverstadt, Matt Crosbie, Steve Seiber, Steve DuPlessis, Bill Helwig.

At presstime, the 1977-1978 varsity cagers appeared to be strong contenders in winning the Coastal Division Crown. In non-league play, the Lancers finished with a fine 10-5 mark.

Intensity was the key ingredient of this year's team. Lack of concentration against a tough Coronado team cost the Lancers their chance of a major upset in the Kiwanis Tournament during Christmas vacation. Parker had come close to beating Coronado earlier in the season. The Lancers needed drive in league play to defeat such high caliber teams as Army-Navy Academy and La Jolla Country Day.

Consistent performances by Matt Crosbie, Steve Seiber and Steve DuPlessis made them strong candidates for selection on the Southern League first team. Jim Crawford's good defensive play put him in the running for an award, too.

Coach Brian Kerkering, lacking the team depth he had in past years, still managed to keep a winning attitude by encouraging players to perform at their best. He was hoping at presstime that this attitude would sustain the team in their quest for the Class 1-A crown.

Ken Sulzer attempts a free throw while Capistrano Valley player readies for a rebound.

JV Has Building Year

L-R: Walter Wincek, Craig Irving, Grant King, Matt Herrill, Ted Davis, George Smith, Ken Dewart, Byron Gwinn, Gabe Zatarian, David Carson, Jim Ilko, Keith Sampson, Dan Sulzer, Bert Wahlen, and Manager Steve Harris.

The 1977-78 season was a building year for the JV team. However, what was lacking in experience was made up for in enthusiasm. The team posted a three and six non-league record, before entering league play.

The members of the JV team were all freshmen with the exception of five players. Four returning JV lettermen were Ken Dewart, Byron Gwinn, Jim Ilko and Craig Irving. Freshman Ted Davis was a newcomer to Parker and the team.

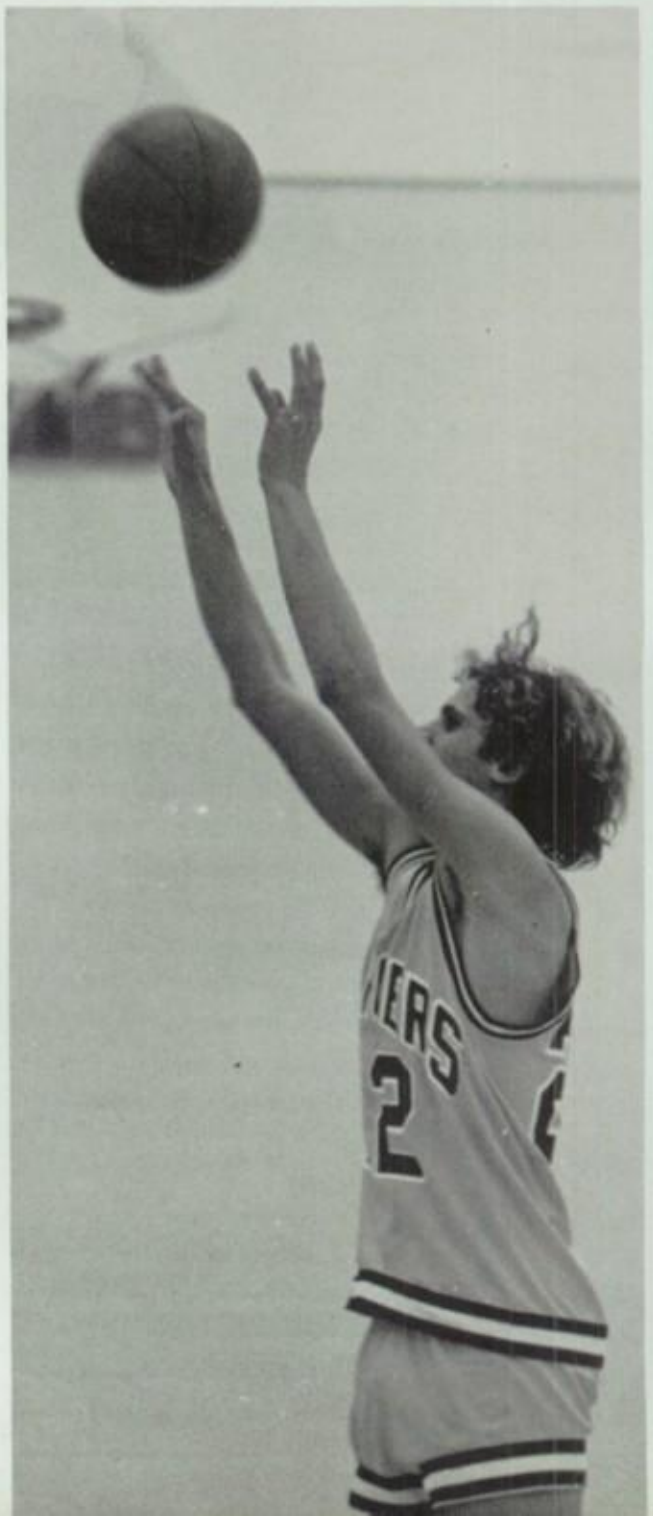
Coach Dave Glassey displayed immense patience and was rewarded with a constantly improving team. He concentrated on the fundamental parts of the game and corrected many common mistakes which came with inexperience. We expect his effort will pay great dividends in the 1978-79 season.

Lack of confidence was a drawback the JV's faced. They have displayed much skill and ability, and now further playing experience will build up confidence.

From the beginning of the season, both Ken Dewart and Ted Davis gave consistently outstanding performances. They provided constant inspiration to members of the team.

Ken Dewart starts off a Parker fast break, while Jim Ilko and Gabe Zatarain fill the lanes.

L. to R. from top: David Carson drives down the middle while Walter Wincek awaits a pass; Steve Seiber goes up for a rebound as Matt Crosbie looks on; Jim Crawford shoots a free throw; Ken Dewart tries a jump shot, while Jim Ilko and Bill Helwig look on; Coach Glassey, and the J.V. team, go over the game plan; Steve DuPlessis attempts a free throw.



Back row, from left: Richard Marsch, Peter Price, James Whisenand, Sara Vafis, Viki Salazar, Matt Matheson, John Malik and Coach Ed Strange. Front: Matt Bradaric, Joth Layton, Bill Corrente, Eugenio de Pavia, Tony Ryan, David Bassham and Warren Jones. Not pictured: Cathy Vafis.

Soccer Season Sloshy

For the first time in Parker history, the upper school organized a soccer team. The team consisted of 16 people from grades 9-12, both male and female. Many of the players had no previous soccer experience, and joined the team to learn and have fun. Although they weren't expecting a winning season, they did expect to win a few. Unfortunately they didn't win any.

The season started out slowly, with a loss to Desert Sun. However, the playing ability improved throughout the season, and by their last game against Army-Navy Academy, Parker nearly won.

A main factor in the team's losing season was the torrential rain. Almost every game was played under weeping skies, and three games were rained out. During the last game, the players sloshed around in three inches of water on the flooded LJCD field.

This year was a building year for the Parker soccer team. The team has a foundation of experienced players for next year, and a number of new players coming up from a 7th and 8th grade team.

Above: Andy Almour kicks a soggy soccer ball after heavy rains. Left: John Malik rushes to assist Richard Marsch during ANA game.

Lancer Nine Swing into Season

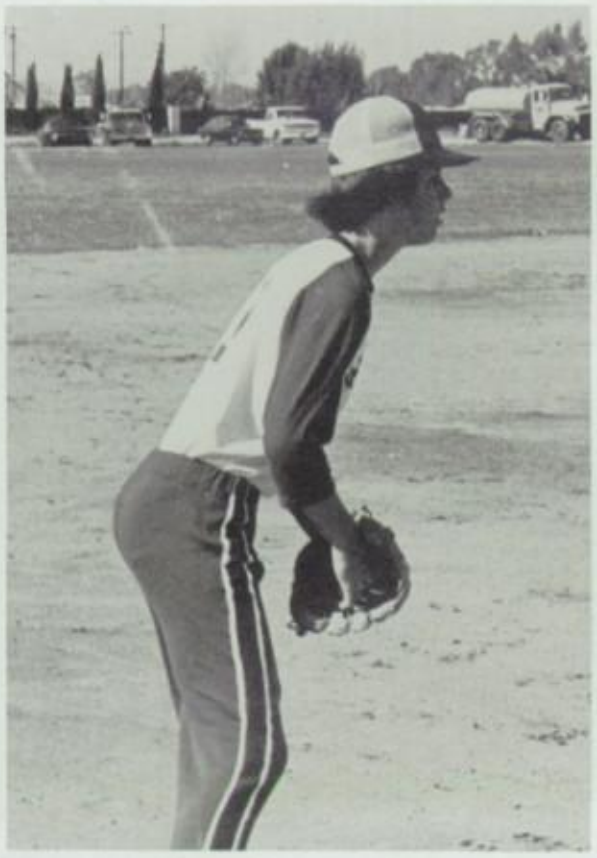
Kneeling, from left: Mgr. Bert Wahlen, Sonny Adler, Ken Sulzer, Bill Osborne, Bill Helwig, Dan Sulzer, Craig Irving, Mgr. Bill Van Gaasbeek. Standing, left to right: Jim Lyons, Scott Irving, Steve Seiber, Steve DuPlessis, Cliff Treais, Ken Dewart, Coach Glassey.

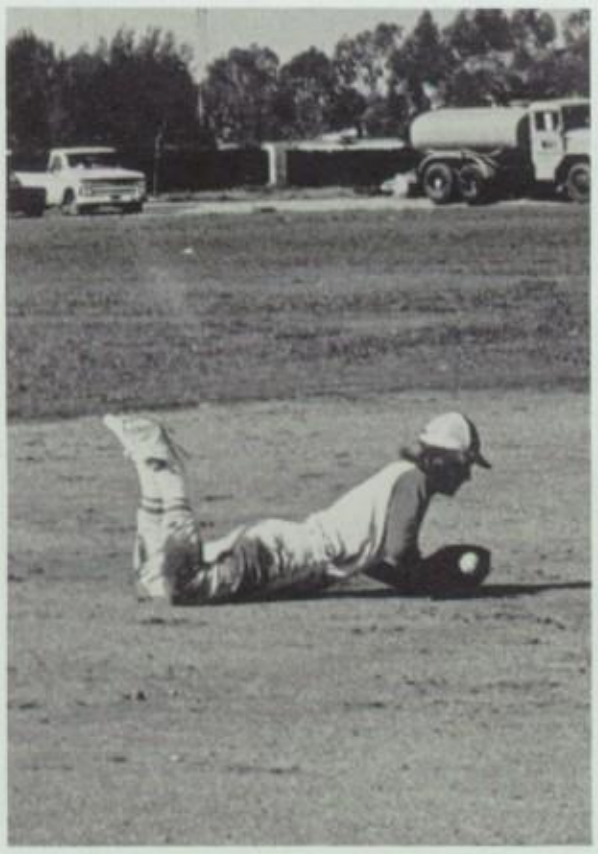
JV Baseball: Kneeling, from left: Ramon Lozada, David Carson, Walter Wincek, Gabe Zatarain, George Smith. Standing, from left: Bert Wahlen, Mark Clifton, Dave Fulwiler, Matt Herrill, Jim Ilko, Bill Van Gaasbeek.

Another successful season was anticipated from the Parker nine as the CAVALCADE went to press. Returning all-league players Bill Osborne, Steve DuPlessis, Ken Sulzer, and Steve Seiber were expected to give the Lancers the punch to get them to the CIF finals for the fourth year in a row.

Coach Dave Glassey also expected his team to be just as good as last year's Southern League champs with the gaps left by last year's seniors being filled with fine players.

The JV's, coached by Carl Duplessis, a former Parker baseball star, had a fuller schedule in order to develop experienced players.





Top left: Walter Wincek positions himself at third base. Top right Ken Dewart shows his form in sliding. Above left: John Mansfield dives for a grounder. Above right: Sonny Adler swings for a hit sgainst Ramona. Left: Steve DuPlessis winds up for the pitch.

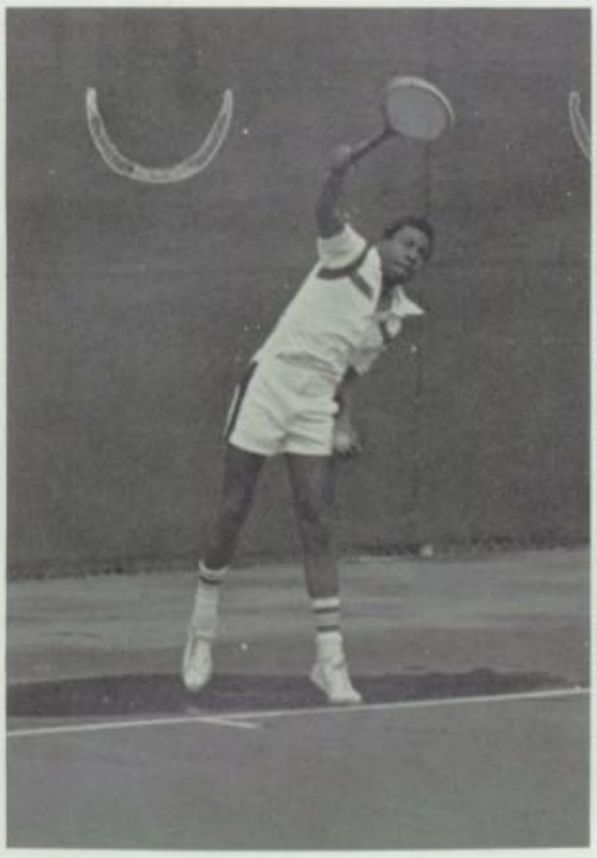
Tennis Team Strikes Again

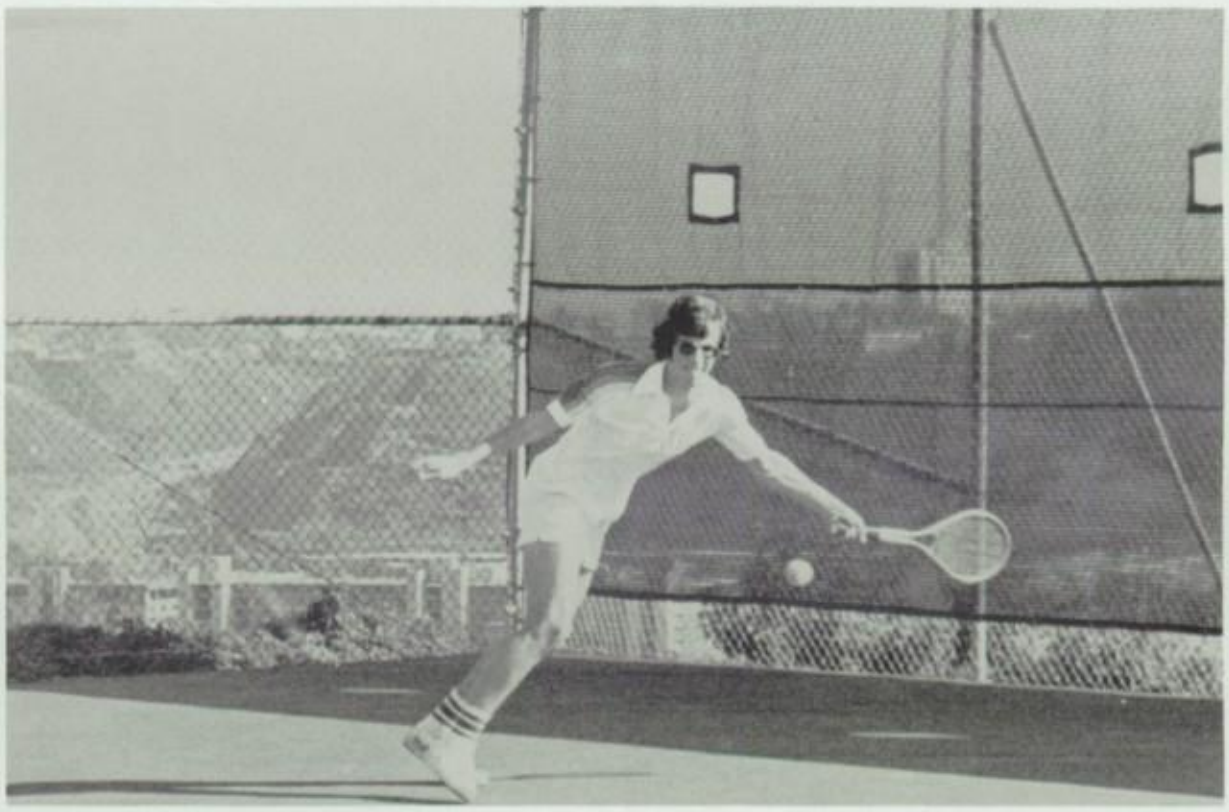
From left; kneeling: Marilou Quini, Caroline Anderson, Keith Sampson, Barrie Berg. First row: Anne Pavel, Jeff Adler, James Whisenand. Randy Wasserman, Lisa Cook, Marc Wolfcheiner, Lauren Shumway. Second row: Bill Corrente, Warren Jones, Randy Laser, David Bassham, Jeff Cass, Ken Crone.

Right: Jeff Adler shows his concentration.
Far right: Barrie Berg smashes a forehand.

The 1978 tennis team again was expected to do well. Parker went looking for their 6th straight league chanpionship. The CAVALCADE deadline hindered complete coverage of the season.

The young team was headed by sophomore Jeff Adler and seniors Ken Crone, David Bassham and James Whisenand. Also expected to greatly aid the team were junior Randy Wasserman and freshman David Rivkin. The team was led by Brian Kerkering in his third year as coach.





Top left: Keith Sampson serves one up during warm-ups. Top right: Members of the team wait patiently for an open court. Above: David Bassham stretches out for the return. Far left: Anne Pavel crosses over for a slam. Left: Randy Wasserman bends for the volley.

Tracksters Face Bright Season

At presstime, the thinclads' 1978 track season was viewed with optimism by new head coach Ed Strange.

The dominating force for the Lancers would be in the field events. Jay Plaehn and Richard Marsch would be threats to other competitors throughout the season. Joth Layton would star in the long jump for the Lancers, while Jeff Cass looked impressive in the triple jump.

The absence of sprinters Mike Sourapas and John Malik weakened the Lancers in this area. However, returning lettermen Warren Jones and Jeff Cass would take up the slack in the middle distance running. Sophomores Steve Carey and Matt Bradaric also appeared promising.

Joth Layton, Jay Plaehn, and Doug Halverstadt looked to be steady contenders throughout the season in the hurdle events.

Female strength was also added with Tiffany Kemp and Sara Vafis competing.

The major obstacle the Lancers faced was finding a track on which to hold home meets.

Above, Parker's thinclads: standing, from left; Coach Ed Strange, Tiffany Kemp, Doug Halverstadt, Sara Vafis. Kneeling: Steve Carey, Matthew Bradaric, Jay Plaehn, Richard Marsch. Top: Matt Crosby slips over high jump, and he makes it! Right: Jay Plaehn practicing skills in shot put. Below: Tiffany Kemp and Steve Carey warm up with a lap around the field.

New Look For PE

The Parker PE classes were not just playing football, baseball, etc. The curriculum provided a wide variety of activities. Some of the new sports were soccer, croquet, and beginning dance. These new activities added a little spice to the boredom of the PE classes.

A few returning favorites were archery, track and field, and badminton. Unfortunately, the weather prevented many of these activities from being successful.

Due to crowded facilities, some classes met in unusual places. A few individual programs in weight lifting and fitness training were established.

Top left, Chris Trepte does a "leap split" in aerobics; bottom left, Larry Leffler readies his bow; top right, Curt Ittner in the weight room; bottom right, Laura Wolf, Viki Salazar and Courtney Field stretch in the art room.

Girls Face 17 Games

As we went to press, the 1978 female cagers once more had high hopes of having a successful season.

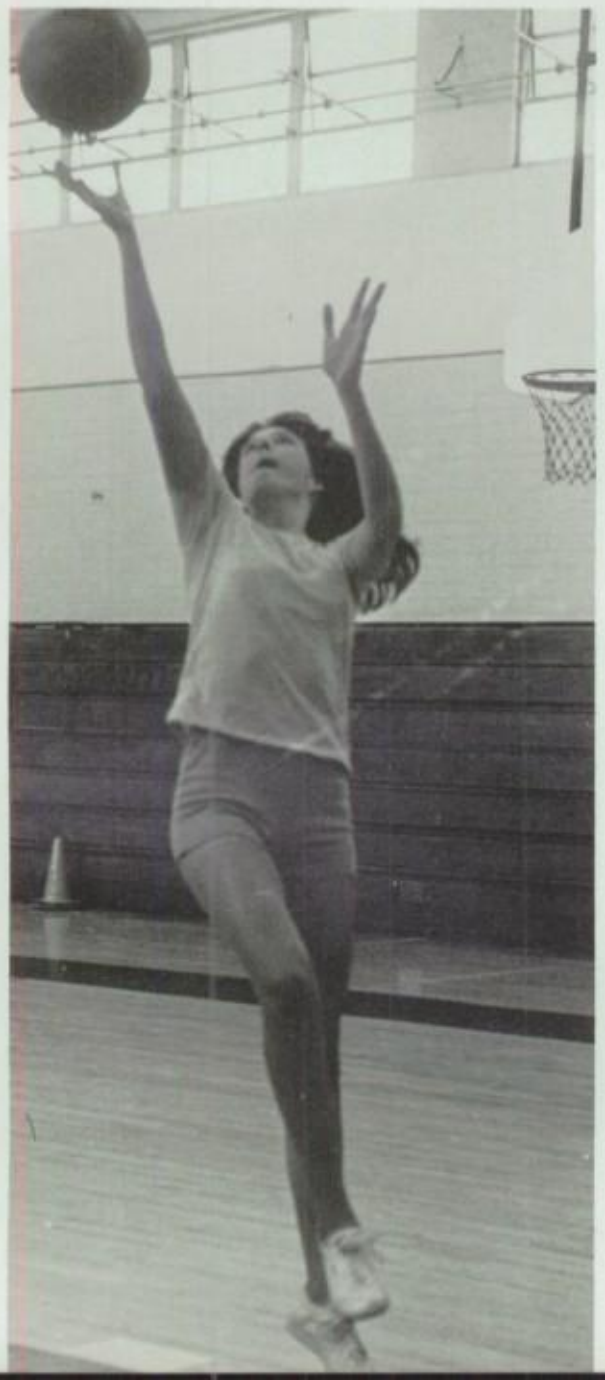
With the return of veterans Jennie Smith, Julie Wahlen, Barbie Jones, Lisa Goehring, Jean Mullen, Carol Leonard, Maile Knudsen, Leigh Ann Layton, Kirsten Hedin, and Kathy Steiner, and some new star freshmen Katie Seiber and Colleen Grubb, the team was looking forward to a good season.

Seventeen games were on the schedule as well as several non-league games. With Mr. Volker's patience and previous year's experience, the girls felt strong and confident.

Varsity, from left: Coach Ray Volker, Jean Mullen, Katie Seiber, Maile Knudsen, Madeleine Herrill, Lisa Goehring, Jennie Smith, Leigh Ann Layton, Barbie Jones, Diane DuPlessis, and Colleen Grubb.

JV, from left: Leslie Pearce, Tracy Thomas, Lori Roberts, Coach Ray Volker, Ann Miller, Susan McKig, Teresa Pesqueira, Heather Hanafin.

Below: Colleen Grubb goes up for a lay-up. Lower Right: Jennie Smith pushes her way through Carol Leonard and Heather Hanafin in a tough scrimmage.



Jr. Cagers Show Aggressiveness

Having earned a perfect record of 9-0, this year's 7th and 8th grade basketball team has much to be proud of and deserves recognition. This year's team was characterized by the steady dependability of Steve Oddo, Pat Styles, Gar Millay, and Mike Collins, the all-round leadership of Pat Millay, the scrappy get-that-ball style of Tom Gildred, Dan DuPlessis, and Andy Hawes, and the never-let-me-down guys who always gave their best, Jaime Cruz, David Rivkin, Stewart Beiler, and Kent Jones.

Our trademark was aggressiveness—even to the point of growling in our huddles! Our team spirit (pulling for each other, clapping, and cheering both on and off the court) began with our fine managers, David Rudee and Jennifer Jenkins, and affected all of us. Not only did our spirit confuse our opponents, but it made us play harder. I am proud of this team. They represent Francis Parker School well.

The Coach, L. Lipman

Top row: Gar Millay, Dan DuPlessis, Pat Styles, Pat Millay, Stewart Beiler, Kent Jones, Mike Collins, Coach Lipman, Steve Oddo.
Bottom Row: Mgr. Jennifer Jenkins, Andy Hawes, Jaime Cruz, Tom Gildred, John Rivkin, Mgr. David Rudee.

Top: Coach Lipman in the midst of a "growling huddle."

CAVALCADE Crew Work Long Hours

Working on Sundays and rainy Friday nights as deadlines approached, a small but determined CAVALCADE staff succeeded in meeting them all.

The crew had the unique experience of working with a new professional photographer. They also worked closely with Mr. Terrill's new photography class.

CAVALCADE '78 was the first in Parker history to get the entire Upper School population in one photograph (the end sheets).

The staff strove toward better student photography and copy writing.

VIEW Expands in Many Ways

Above: VIEW staff.

The VIEW expanded in every conceivable way: in page size, staff, coverage, and outlook.

The many talented writers, cartoonists, and photographers became more involved with Quill and Scroll, and the San Diego County Journalism Education Association. At presstime, students had just participated in the annual SDJEA write-offs and were awaiting the national convention in San Diego in April.

The VIEW covered both the scholar and the athlete. Drama, science, personalities, and various activities got equal coverage. Girls' sports came into their own.

Controversial editorials appeared and got feedback from student and faculty readers. An opinion poll each month gave students an opportunity to express their views.

SPECTRUM Grows

SPECTRUM, Francis Parker's literary magazine, was distributed to Parker students on May 9th and 10th. This magazine is student produced, and publishes not only literary works but also art and photography by 7th-12th grade students who wish to contribute.

The magazine was noticeably larger this year, and those responsible for the increase are the editors Judy Kincaid, Susan Peshel, Beth Lavender, Kristen Hobbs, and the art editors Kathy Steiner and Lisa Goehring.

All members of the SPECTRUM staff are enrolled in the creative writing class. Magazine publication is advised by the creative writing teacher, Mrs. Barrett.

Back row, from left: Kathy Steiner, Beth Lavender, Lori Roberts, Kristen Hobbs and Mrs. Barrett. Front, from left: Lisa Goehring, Susan McKig and Judy Kincaid.

Assemblies Offer Variety

To break the monotony of school, a wide variety of assemblies were presented. The enthusiasm and harmony of the University of Redlands choir brought music and spirit to students in the gym. A bullfighter demonstrated his technique in the library.

A "cool" private investigator spoke candidly to the student body about his job and how TV investigators are far from being true-to-life. Four Karate experts displayed the fundamentals of the Martial Arts in the gym before Easter Vacation.

Student Councils On the Move

During first semester, 9th-12th officers Denise Bailey, President; Leesie Assam, Vice President; Mary Day Dewart, Secretary/Treasurer; and Cliff Treais, Representative to the Board, sponsored many successful activities.

The "Kick-off Dance" was held on the second Friday of school. The Homecoming Dance, featuring "Empire," climaxed Spirit Week. Free tuxedos for Homecoming escorts were provided by a local firm. Students took a trip up to Poway Ranch on Western Day where a square dance and a barbeque were held. The Winter Dance at the Bahia Hotel was the largest dance ever held.

The sales of baked goods, See's candy, and Spirit badges all helped fill Student Council coffers.

Unique assemblies were held, including a private investigator and a Karate expert.

A new election policy became effective at the beginning of second semester. The idea of changing the elections from June to February was introduced by Dr. Crone and approved by the students.

The basic idea of the change was to keep the students, as well as the Student Council, from falling into the "second semester slump."

The new elected officers, Barrie Berg, President; Karen Hirr, Vice President; Barbie Jones, Secretary/Treasurer; and Karen Reavis, Representative to the Board, were planning many new activities at presstime.

Student Council minutes and ideas were posted on the new "Student Communications Board" outside the library.

The council was busy making plans for a Jog-a-thon fund-raiser involving the whole school. A costume ball with "Disco Magic" lights and a disc-jockey was scheduled for March, along with a Car Rally. Students were excited about the Year-End Dance which was to be held on a Harbor Excursion Boat. A summer dance was anticipated, also.

Top, from left, first semester officers: Mary Day Dewart, Leesie Assam, Denise Bailey and Cliff Treais. Above, from left, new officers: Karen Hirr, Karen Reavis, Barbie Jones, and Barrie Berg.

The junior high student council had a very successful year under the direction of Mr. Bennett. They were responsible for the stickball field getting proper bases. Many varied games nights were held with big turnouts and good times.

At presstime the junior high was planning the magazine drive which annually brings in approximately $2000.

Left, Junior High officers: Pat Styles, President; Harry Boffman, Secretary; and Cathy Denton, Vice President.

Girls Unite in Fun, Friendship, Service

From putting on dances to helping in the community, the Sr. High Girls' League enthusiastically went through a year of service and enjoyment. They also baked cookies, painted posters, and cleaned up, all behind the scenes.

The new board quickly started out the year by planning the events of Spirit Week which consisted of several "dress-up" days, a carnation day, and a pep rally. The League also sponsored the successful Homecoming Dance.

During the Christmas season, the Jr. and Sr. High Girls' Leagues combined to take part in Christmas carolling at a retirement home, which was followed by a pizza dinner. This year, the League started a new tradition of providing three needy families with a Christmas dinner and presents for the children.

The League sponsored its annual Sadie Hawkins Dance at the Lower School in the spring. The girls completed the year with the traditional slumber party. Throughout the '77-'78 year, the Girls' League was successful in supporting many school and community activities.

Above, from left: Allison Gordon, 9th representative; Courtney Field, 11th rep.; Laura Wolf, Treasurer; Liz Gildred, Vice President; Chris Trepte, President; Susan McKig, Secretary; Mary Day Dewart, 12th rep.; Becky Smith, 10th rep. Right: Chris at work.

Above, from left: Kristen Jackson, 7th rep; Elizabeth Reid, 8th rep; Julie Field, Treasurer; Shelle Smith, Secretary; Cleo Van Doren, Vice President, Michelle Deilgat, President.

Fun, friendship, school activities, fund raising, and community service were Jr. High Girls' League's goals.

The executives were kept very busy this year planning games nights, donating to the Tijuana Salvation Army, collaborating with the Sr. High Girls' League on special activities, and providing a Christmas party for a youth group in Linda Vista. They sold valentines, prepared and operated a booth at the Spring Faire, and donated money to the school for needed items.

COMMENTS

The University club was the scene of Parker's National Junior and Senior Honor Society Banquet on November 5.

A delicious dinner was served. Guest speaker for the evening was Mr. Valker who discussed the importance of striving for excellence.

Dr. Crone acknowledged those who had qualified for membership during the '76-77 school year. The scholars received their awards from Mr. Bennett and Mrs. Treais.

Creativity Abounds

The Art Department was a creative class with Mr. Giraud and clan enthusiastically working on a variety of projects. There were many that looked quite professional, such as the cartoons by Laura Mumby, the sketching by Lisa Goehring, and ceramics by Alex Vargas. Lettering by Sara Vafis and linoleum blocks by Mickey Ryan were outstanding. There were many other talented people too numerous to list.

In the Shop class, taught by Mr. Cheskaty, a variety of projects were being busily constructed, highlighted by the preparation of the 18" and 24" model boats for the Kiwanis Regatta. At presstime Jaime Cruz was expected to be the first one to complete his boat. Steve Vafis and Steve Oddo's boats along with Jaime's looked like potential construction winners.

Cathy Vafis took on the laborious project of matching headboard and nightstands made of mahogany for her bedroom. Jay Plaehn made a walnut camera case and Byron Gwinn made a gun cabinet.

Other undertakings included: bowls, mugs, hanging planters and jewelry boxes.

In Auto Shop, students worked on the shop's test vehicle, commonly called the Toy. Students also fixed faculty cars that needed repair. Working on cars can be hard and messy but the atmosphere was always congenial.

Ski pants, long dresses, vests, and blazers were some of the garments made in Mrs. Ghironi's sewing class. It was the first try at sewing for some of the girls. During first semester both sewing classes combined made thirty-six outfits.

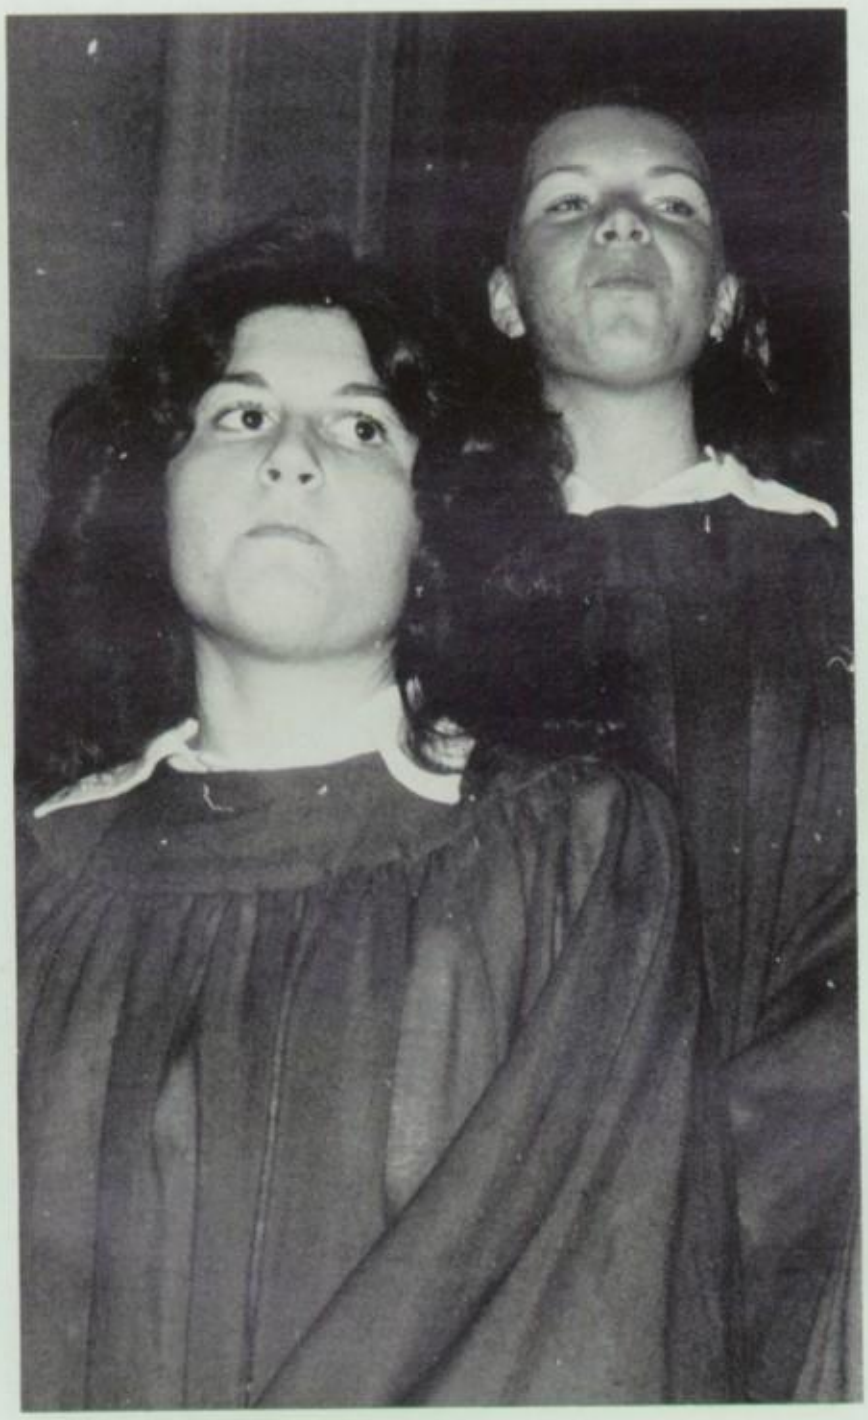
The classes were getting ready at presstime for a Spring Fashion Show. Each of the girls were planning to model one of the outfits that they had made.

Above right: Mr. Giraud and Tom Gildred; right: Bill Corrente and his 18" sailboat; below right: "The Toy."

Girls Unite In Song

The first semester chorus season was filled with spirit, tension, and success. The Christmas show consisted of individual songs and carols followed by a Pinnochio Christmas skit.

No one will ever forget the countless "You're flat!!" ' from Mrs. "K", "Rowdy Boys Rule!", early morning rehearsals on weekends, and Glynnette Kosmas singing with laryngitis. Other memories include the first performance in front of a teachers' club which consisted of only 12 people.



Above: Desiree Mitrovich, Courtney Field; above right: Martha Flores, Mary Day Dewart, Letty Rosado, Chris Trepte, Madeleine Herrell, Glynnette Kosmas, Denise Bailey, Leesie Assam, Lisa Mumby and Laura Wolf; center: Letty Rosado, Leesie Assam; bottom right: Madeleine Herrill, Jennie Smith, Laura Wolf, Letty Rosado and Mary Day Dewart.

That's Entertainment

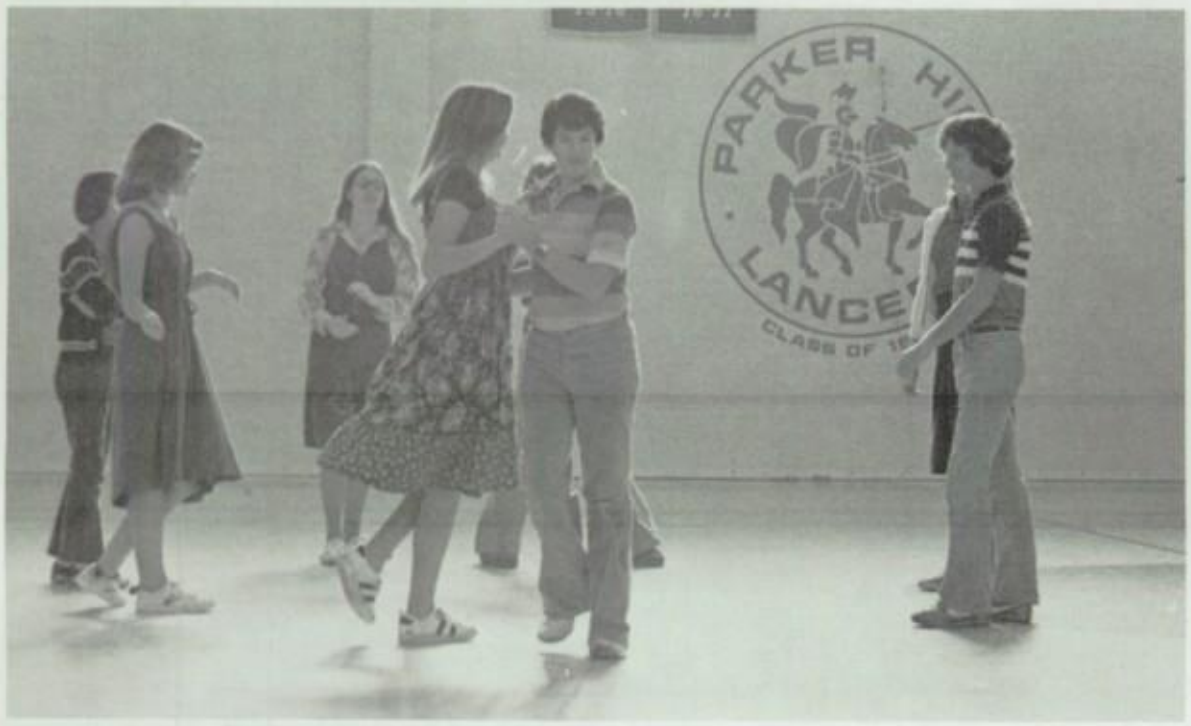
Dances and Games Nights provided entertainment. "New Beginnings," the first dance of the year featured "Treebeard." In October, the Student Council and the Girls' League worked together on "Remember When . . ." the Homecoming Dance, with the band "Empire." In December, a Hoe-down with authentic square dancing was held at a ranch.

"Starlights on the Bay" was the theme of the Winter Dance held at the Bahia Hotel. "Tacoma" played.

The annual Sadie Hawkins dance was held second semester with a band. At presstime, the formal year-end dance was being planned.

Junior High activities included bowling, ice skating, roller skating, miniature golfing, and basketball. Each activity was followed by dinner and dancing.

Top left: Pam Guiles and Cliff Treais stop to talk with Sandy Iverson and Craig Irving at the Winter Dance. Center left: Square dancers practice for the Hoe-down. Below: Maury Liwerant gets support. Lower left: KCBQ promoter. Bottom right: "Treebeard."



Drama Spotlighted

This year, Francis Parker's drama department really began to come into its own. The department started off the year with productions of Pat Wilson's comedy, FUNERAL TEA, and a one act adaptation of Dickens' A CHRISTMAS CAROL. Also, for the first time, Parker became home of a touring company as the casts of both productions went "on the road," with "Scrooge & Co." traveling to Linda Vista Elementary School, and the cast of FUNERAL TEA performing at San Diego High School

Second semester plans pointed toward a full-scale musical production, BYE-BYE BIRDIE, the first in Parker history, combining both music and drama departments. Although no definite plans were made at presstime, it appeared that productions of original scripts written by Parker students would be presented during the spring semester.

cont from '95

Hi Jen!! I just wanted to write something half decent because the other thing I wrote was so stupid! well I think... (what do you think?) well I really think that you're a good friend and one of my closest and I hope we stay friends the rest of our life. We should get together this summer and go... go... go... to... go to... the go to the... go to the club! That would be fun. Yesterday was fun trying to ride Todd's skate board. I think that you and Todd, Todd K and Andy and now Dar make a good couple you look so cute with him on the bus!

THANK HEAVEN
FOR PARKER PEOPLE!
The Jeremy Berg Family

I think that any of the boys with a normal mind would go as mrs ghroni says "goo goo eyes" over you and I really think that if they don't there either gay or super wierd. Cause well I don't know. well better go cause its time to go and love, mantes

Dear Jennifer,
Hi! What should I say to someone I don't even know? How about this: "I'd like to know you better!"

BEST OF LUCK

Is that O.K.? I hope so! I know what I can say- have a fantastic summer... get a great tan... See you next year... CLASS OF '78 don't change at all... Be good... I would like to say "good luck with Gas"; but I'm sure everyone has said THAT. Oh well, I'll just say this: See ya Soon, Luv ya, Neil I hope!

CREST BEVERAGE
AND
THE SOURAPAS FAMILY

P.S. Good luck with Gas!!
P.P.S. I had to say it!

BEST WISHES

Jennifer,
see waterbed
right
way. For
pleasure. Have your
fun. I don't know
how you're gonna
support
one. Be good you little
to Gar!!!

Harry

Jennifer,
Remember when
Ree Ree you & D were
great friends? Seems
100 years ago. Then
it was you & a great
friends - then none.
No offense now but
you were pretty
mean then! Now back
to friends - well still
it was a good year!!
Stay the same &
have a good
summer

Amy.

J. J. R.
we've been
through a lot
some good scenes
some scenes sucked
this year (mostly at the
beginning) and the skiing
trip was fun, you're
a hot [redacted]
on skis. So keep

Jenny
You're
we nice
better had girl a really
the friends. Gotten and I wish
didn't way it goes. At least thats
Have a get in any fights or anything!
you deserve it! Maybe you get together
with Gar during the summer! I hope so, and
I also hope nobody will get mad at you.
How could they!)
love always (@)
Ana

Jenny
Jennifer, you are one of my very
closest friends and I'm really
glad we've been friends
for so long. I wish you
could've stayed in Hawaii
and gone to school with
me, but I guess you
can't have everything.
I'll miss you this summer
and I can't wait to see
you next year.
Love your friend
Jordana Leigh Bloom

Autographs

Jennifer,
Your a really good friend. I'm glad you this year. Have a great summer. I'll probably see you some time during the summer. Make sure that you call me. Hope that more than next year I have time to come over to go in the hospital with me. Dr. Alameda has that lady's we'll have to see Sun Summer. Hope you have a friend Always Melinda

Jennifer, I'm glad you were friends wi Sandy so I could me you. You're a real good friend and I hope you have a good summe at the beach and with all your friends Love Jon

Jennifer,
You're a really good friend and I like you a lot. If we didn't have this lunch period together we probably would not know each other; God this year has sure been a good year for you. Andy, Todd & Gar. (Just kidding!) becoming a professional. Hope to see you this summer in fact I know I'll see you this summer! Because we're both gonna get tan, like Elizabeth Reed, even tanner. This year has been fun after all. You are one of my closest friends, hope you stay that way. Thanks for being a great friend & cheering me up when I'm down Good luck with Gar.

Love, Kristen

P.S. Mama Mallard and the beach. Remember

Autographs

Jennifer,
Since we live so close
together we should do
something this summer
that would be fun! I'll
really I hope to see you during the summer.
This has been a great year through all
the good times and bad. Good luck with
& Gar Love Marites Sorry
So
happy

Jennifer,
It has been great knowing
you this year. When we were going
steady it thought it was stupid, but it
didn't matter it always like you a lot. You
are so easy to talk to. I hope you and Gar get
along fine. You are a great person and have a funny
but nice personality. I'll hope I see you this summer and next
year.

Your good friend
Andy

Jennifer,

Early this year when you and todd Graham were going I go to myself wow Isn't He Lucky to Be going with Her, Then when you told me you liked me I go now She's just kidding me. Then I Heard it from other People a I said Hey maybe she dose Like me. Well any ways I Really Liked you alot except maybe we met each other to late But, I'm Looking forward to next year. I'll try to keep intouch overthe summer.

Love always Gar. M

Autographs

Dear Jennifer,
I met
a super
for
through
glad we
first time I
we
my
two
we have
guys, well
to
need a
sure to
especially if I need
to see what
I look
when I
dance
up exams to miss
cleaned are purse
your and I are the
luckiest people in the
two cutest
we have got great
the next time I
a nurse I'll Be
call you

Jennifer, my dear,

Well, child, now that you have "experienced" a year in my basic Latin class and actually survived it, you can understand the weird-o atmosphere I have to teach in! However, rest assured that the good job you did this year will really make next year's Latin I an absolute breeze for you! If, of course:

(1) you get your special chair,
(2) if you & Melinda stop fighting over the same guys,
(3) if Jeff stops making "goo-goo" eyes at you
(4) and if you stop saying "But it doesn't make sense!"

You have the advantage of having an ex-Latin scholar at home to give you a hand, but you won't need it!

Be "bona", have a "bona aestas", & "vide te proximo anno".

Bona Fortuna,

Mrs G

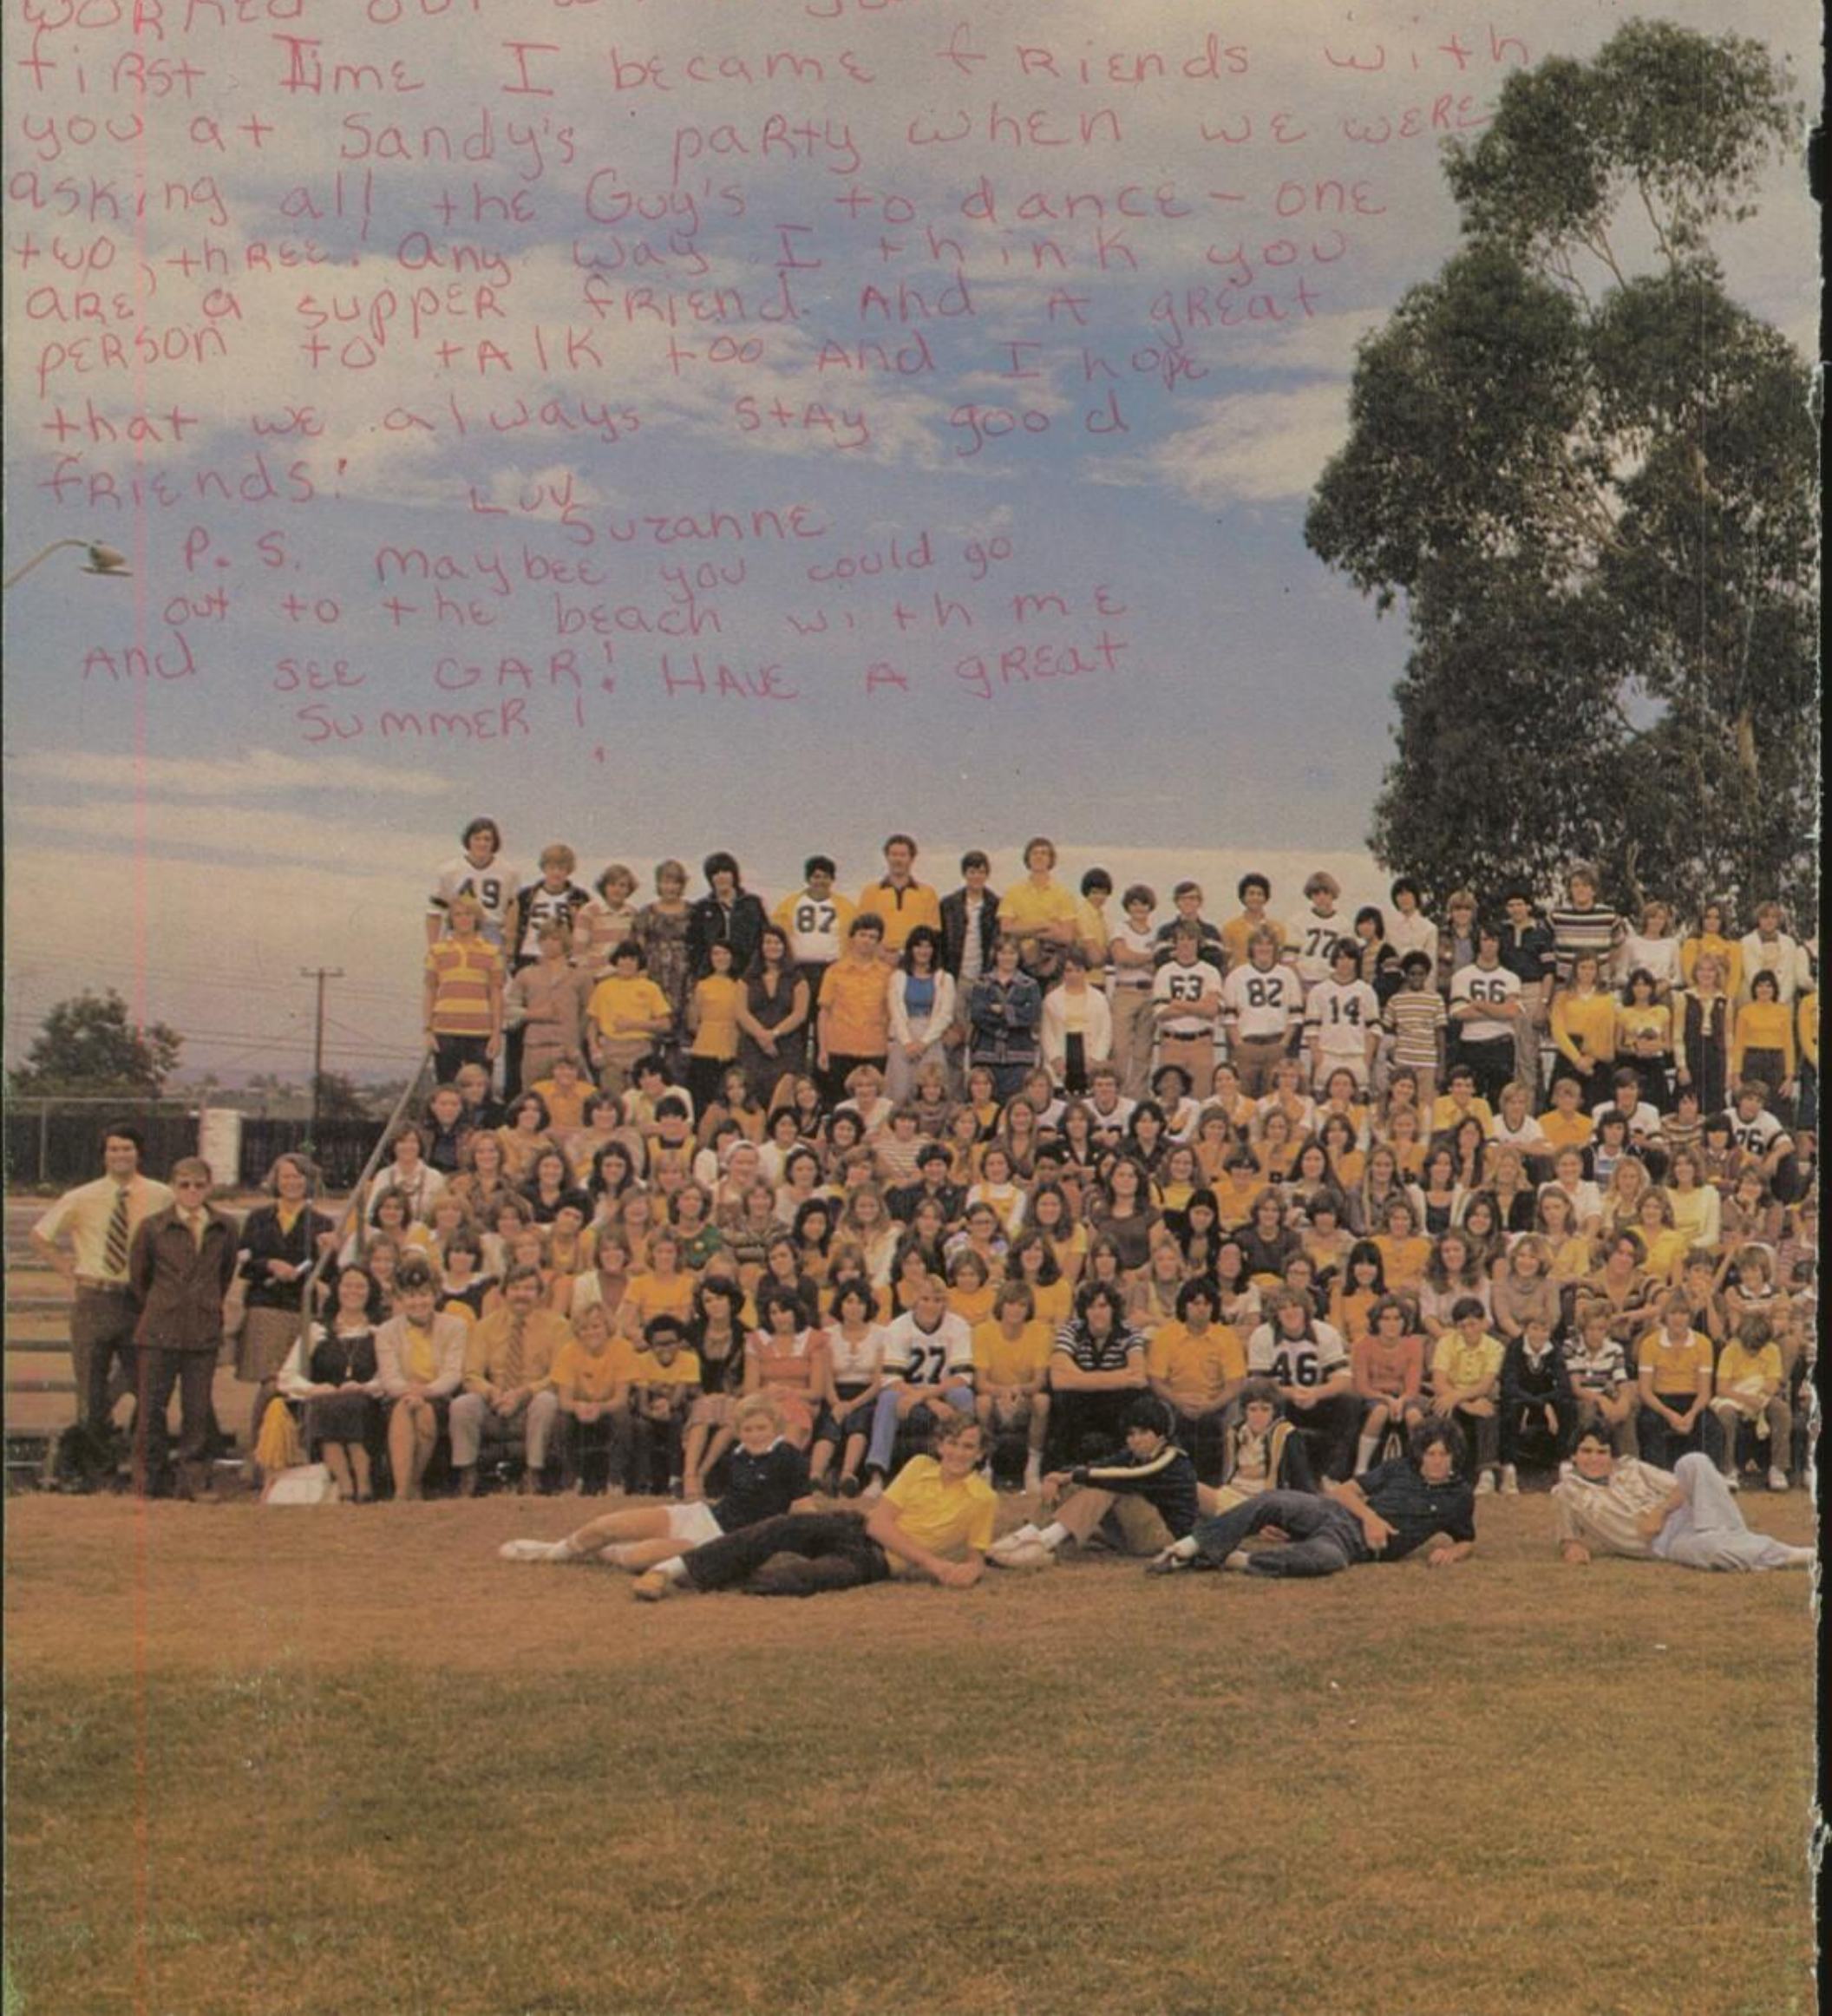
Jennifer -

Hi! How are you? I have a few things to say so here goes: I know we've been through a lot

P.S. I won't forget the pansy Stevie gave Sean's classes.

Jennifer, Your a real nice girl and a good friend. I'm really glad I met you this year. I only wish I knew you better & to know you can get nasty I can get nasty. Have a nice summer & see you next year.

JENIFER
YOUR A REALLY NEAT PERSON TO BE AROUND AND I'm glad MET YOU THIS YEAR. I THINK YOU and GAR MAKE A VERY CUTE COUPLE And it's good that EVERYTHING WORKED out with Janet. I REMBER the first Time I became fRiends with you at Sandy's party when we were asking all the Guy's to dance - one two, three. any way I think you are a supper friend. And a great PERSON TO TALK TOO AND I hope that we always STAY good FRIENDS!
LUV
Suzanne
P.S. maybee you could go out to the beach with me AND SEE GAR! HAVE A GREAT SUMMER!



Hi Jen!
It's sorta hard to write somethin'
cause I don't really know ya!
o you don't hafta worry about
e taking up a lot of room like
arites, well Jen, you have been
eat all year, and remember
book day? When we met?
knew you were goin'ta be a
rrific person and ya know
what? I was right!
You are terrific!
I really hope yer
comin' back
'cause I really
would like to know you
a lot better! ¡Adios!
The Strange One,
always,
Linda
Marie
Shishido

Jennifer been a nice year
hope you are comming back
nert year try taking woodshop
Its really fun arts a bore.
Too bad you didn't get along
with Todd G. I now I'm
kind of weird, but so what
that doesn't matter
Your a Senior
John Shultz
